### Extension of Comment Period for 2017-2025 CAFE Proposal

Jan. 9, 2012: The comment period for the proposed CAFE and greenhouse gas standards for model years 2017-2025 is being extended to allow the public additional time to submit comments. The comment period will now close on February 13, 2012, rather than January 30. The comment period for NHTSA's Environmental Impact Statement, however, remains the same. [Read the notice](#)
