31 CFR Parts 351, 359, and 363

United States Savings Bonds, Series EE and I

AGENCY: Bureau of the Public Debt, Fiscal Service, Treasury.

ACTION: Final rule.

SUMMARY: This rule increases the amount of book-entry Series EE and Series I savings bonds a person may acquire each year.

DATES: Effective January 4, 2012.

ADDRESSES: You can download this final rule at the following Internet addresses: <http://www.publicdebt.treas.gov>, <http://www.gpo.gov>, or <http://www.regulations.gov>.

FOR FURTHER INFORMATION CONTACT: D. Michael Linder, Director, Division of Program Administration, Office of Retail Securities, Bureau of the Public Debt, at (304) 480-6319 or mike.linder@bpd.treas.gov.

Ann Fowler, Attorney-Adviser, David Copenhaver, Senior Attorney, Edward Gronseth, Deputy Chief Counsel, Office of the Chief Counsel, Bureau of the Public Debt, at (304) 480-8692 or ann.fowler@bpd.treas.gov.

SUPPLEMENTARY INFORMATION: This rule increases the amount of book-entry Series EE and Series I savings bonds a person may acquire each year. Prior to this change, an investor could purchase up to \$5,000 each of definitive and book-entry Series EE savings bonds (\$10,000 total), and \$5,000 each of definitive and book-entry Series I savings bonds (\$10,000 total) per person, per calendar year. However, Treasury discontinued the issuance of definitive savings bonds, effective January 1, 2012. (See 76 FR 66,855 (Oct. 28, 2011)). In order to allow investors to

maintain the same level of savings that existed prior to the elimination of definitive savings bonds, this rule will permit investors to acquire a principal amount of \$10,000 of book-entry Series EE savings bonds and \$10,000 of book-entry Series I savings bonds per person, per calendar year. Book-entry savings bonds are offered to individuals through TreasuryDirect®, which is an Internet-accessed, book-entry system for purchasing, holding, and conducting transactions in Treasury securities.

Procedural Requirements

Executive Order 12866. This rule is not a significant regulatory action pursuant to Executive Order 12866.

Administrative Procedure Act (APA). Because this rule relates to United States securities, which are contracts between Treasury and the owner of the security, this rule falls within the contract exception to the APA, 5 U.S.C. 553(a)(2). As a result, the notice, public comment, and delayed effective date provisions of the APA are inapplicable to this rule.

Regulatory Flexibility Act. The provisions of the Regulatory Flexibility Act, 5 U.S.C. 601 *et seq.*, do not apply to this rule because, pursuant to 5 U.S.C. 553(a)(2), it is not required to be issued with notice and opportunity for public comment.

Paperwork Reduction Act (PRA). We ask for no collections of information in this final rule. Therefore, the Paperwork Reduction Act (44 U.S.C. 3501 *et seq.*) does not apply.

Congressional Review Act (CRA). This rule is not a major rule pursuant to the CRA, 5 U.S.C. 801 *et seq.*, because it is a minor amendment that is not expected to lead to any of the results listed in 5 U.S.C. 804(2). This rule will take effect upon publication in the **Federal Register**, after we submit a copy of it to Congress and the Comptroller General.

Subpart B—General Provisions Governing Securities Held in TreasuryDirect

§§ 363.7–363.8 [Reserved]

§ 363.9 What does this subpart cover?

This subpart provides general rules governing securities held within the TreasuryDirect® system. Provisions in the subparts governing specific securities that conflict with these general rules will supersede these general rules.

[70 FR 57433, Sept. 30, 2005]

§ 363.10 What is a TreasuryDirect® account?

A TreasuryDirect account is an on-line account maintained by us solely in your name in which you may hold and conduct transactions in eligible book-entry Treasury securities.

(a) *Primary account.* The primary account is the account that you establish when initially opening your TreasuryDirect account. The primary account may contain the following Treasury securities:

(1) *Individual.* A primary account for an individual may contain Treasury securities purchased initially as book-entry securities that are your personal holdings registered in single owner, owner with beneficiary, and primary owner with secondary owner forms of

registration; gifts of savings bonds that have not yet been delivered; and converted savings bonds that were transferred from the conversion linked account.

(2) *Entities.* A primary account for an entity may contain Treasury securities purchased initially as book-entry securities registered in the name of the entity and converted savings bonds in the name of the entity that were transferred from the conversion linked account.

(b) *Linked account.* A linked account is an account that is a separate account from your primary account, but that is connected to your primary account. You use your primary account as a portal to open and access the linked account. Linked accounts include the following:

(1) *Custom account.* A custom account is an account that is linked to your primary account. You use your primary account as the portal to open and access your custom account. You may informally designate a purpose for the custom account, for example, “vacation fund”, or “Johnny’s college fund”. However, the designation as to purpose has no legal effect; the registration of the securities held in the custom account determines ownership (Annual purchase limitations include securities held in custom accounts). You, as an individual owner, may use your custom account to buy, redeem, and transfer securities that you own in single owner, owner with beneficiary, and primary owner with secondary owner forms of registration. An individual owner may also buy and deliver gift savings bonds from the custom account. An entity account manager, acting on behalf of an entity, may use the entity’s custom account to buy, redeem, and transfer securities registered in the entity form of registration.

(2) *Minor account.* A minor account is an account established by an individual custodian for an individual who has not yet reached the age of 18 years. We do not permit an entity to open a minor account. A minor account is linked to the custodian’s primary account. The minor is the owner of the securities, but the custodian controls the account on behalf of the minor. (See § 363.27 for

§ 363.11

more information about minor accounts.)

(3) *Conversion account* means a linked account in TreasuryDirect that contains only savings bonds that have been converted from definitive bonds to book-entry bonds.

(c) *Closing an account.* If a TreasuryDirect primary account and all associated linked accounts have had no holdings and no activity for a period of two years, we reserve the right to close the account, along with all linked accounts.

An entity must have a valid SSN or employer identification number. The account owner must have a United States address of record and have an account at a United States depository financial institution that will accept debits and credits using the Automated Clearing House method of payment.

[74 FR 19417, Apr. 29, 2009]

§ 363.12 Who may purchase and hold book-entry securities in TreasuryDirect®?

(a) A TreasuryDirect account owner may purchase and hold securities through his or her account.

(b) We do not permit a legally incompetent person to open an account, purchase securities, or convert savings bonds once we have been provided with an order from a court with appropriate jurisdiction determining incompetence to perform such activities.

(c) We do not permit a voluntary representative to purchase securities on behalf of the estate of a decedent.

(d) We may reject any application for the purchase of a security, in whole or in part. We may refuse to issue a secu-

rity in any case or class of cases, if we deem the action to be in the public interest. Our decision in any such respect is final.

[70 FR 57433, Sept. 30, 2005, as amended at 74 FR 19417, Apr. 29, 2009]

§ 363.13 How can I open a TreasuryDirect® account?

(a) *General.* You must establish a TreasuryDirect account online before you purchase a Treasury security to be held in your account. Instructions for online account establishment may be found at the official Public Debt website at <http://www.treasurydirect.gov>, or such other Internet address as Public Debt may from time to time announce by publication in the FEDERAL REGISTER. When you have completed the application, you will create a password to access your account. We will verify your identity and send your account number to you by e-mail when your account application is approved. In addition to your password, we may require you to use any other form(s) of authentication that we consider necessary for the protection of your account.

(b) *Entities.* An individual, referred to as an entity account manager, must establish an account on behalf of an entity. We will verify the identity of the entity account manager. We may verify the identity of the entity using any evidence we deem appropriate. The entity account manager must certify that he or she is authorized to open and access an account for the entity and has the authority to act alone on behalf of the entity with regard to the account.

[74 FR 19417, Apr. 29, 2009]

§ 363.14 How will you verify my identity?

(a) *Individual.* When you establish an account, we may use a verification service to verify your identity using information you provide about yourself on the online application. At our option, we may require offline verification.

(b) *Entity.* When an entity account manager establishes an online account on behalf of an entity, we may use a

verification service to verify the identity of the entity account manager using information that the entity account manager provides about himself or herself on the online application. At our option, we may require offline verification of the entity account manager. At our option, we may require any evidence we deem appropriate to verify the identity of the entity.

[74 FR 19417, Apr. 29, 2009]

§ 363.15 What is the procedure for offline verification?

In the event we require offline verification, we will provide a printable verification form for the individual account owner or entity account manager to sign. The signature on the form must be certified or guaranteed as provided at § 363.43, and the form must be mailed to us at the address provided in § 363.5. We may require documentary verification of an entity as we deem appropriate.

[74 FR 19417, Apr. 29, 2009]

§ 363.16 How do I access my account?

You may access your account online using your account number, password, and any other form(s) of authentication that we may require.

[72 FR 30978, June 5, 2007]

§ 363.17 Who is liable if someone else accesses my TreasuryDirect® account using my password?

You are solely responsible for the confidentiality and use of your account number, password, and any other form(s) of authentication we may require. We will treat any transactions conducted using your password as having been authorized by you. We are not liable for any loss, liability, cost, or expense that you may incur as a result of transactions made using your password.

[72 FR 30978, June 5, 2007]

§ 363.18 Is Public Debt liable if the electronic transmission of my data is intercepted?

We are not liable for any interception of electronic data or communication.

[67 FR 64286, Oct. 17, 2002. Redesignated at 70 FR 57434, Sept. 30, 2005]

§ 363.19 What should I do if I become aware that my password or other form of authentication has become compromised?

If you become aware that your password has become compromised, that any other form of authentication has been compromised, lost, stolen, or misused, or that there have been any unauthorized transactions in your account, you may place a hold on your account so that it cannot be accessed by anyone, and you should notify us immediately by e-mail or telephone. Contact information is available on the TreasuryDirect Web site.

[72 FR 30978, June 5, 2007]

§ 363.20 What do I need to know about the forms of registration that are available for purchases of securities through my TreasuryDirect® account?

(a) *General principles.* (1) Registration must express the actual ownership of, and interest in, the security. Registration conclusively establishes ownership of a security.

(2) You must provide a last name and a first name for each individual included in the registration of the security.

(3) You must provide the valid taxpayer identification number for each person named in the registration of the security.

(b) *Forms of registration for individuals.* The forms of registration available for individuals for purchases of securities made through your TreasuryDirect account are single owner, owner with beneficiary, and primary owner with secondary owner, unless the forms of registration available for a security are specifically limited by the subpart governing that security.

(1) *Single owner.* (i) A single owner is the individual named in the registration of a book-entry security or a converted savings bond without a beneficiary, secondary owner, or coowner.

(ii) A single owner may add a beneficiary or secondary owner.

(iii) A single owner may conduct permitted online transactions on securities held in his or her account.

(iv) Upon the death of the single owner, his or her estate is entitled to

§ 363.20

31 CFR Ch. II (7-1-11 Edition)

the security. In determining entitlement, the law of the decedent's domicile will be followed.

(v) Registration example: "John Doe, SSN 123-45-6789."

(2) *Owner with beneficiary.* (i) The purchaser must be named as the owner with another individual as beneficiary.

(ii) The owner may remove or change the beneficiary without the consent of the beneficiary.

(iii) The owner may conduct permitted online transactions on securities held in his or her account without the consent of the beneficiary.

(iv) The beneficiary has no ownership rights to the security during the owner's lifetime. Upon the death of the owner, the security becomes the property of the surviving beneficiary, despite any attempted testamentary disposition or any applicable local law to the contrary.

(v) If the beneficiary does not survive the owner, the security belongs to the estate of the owner.

(vi) If both the owner and the beneficiary die under conditions where it cannot be established, either by presumption of law or otherwise, who died first, the security is the property of the estate of the owner.

(vii) In order for the beneficiary to obtain the security or the redemption proceeds after the death of the owner, the beneficiary must provide proof of death of the owner. If the beneficiary has a TreasuryDirect account, the security will be transferred to that account. If the beneficiary does not have an account, he or she may establish an account. Alternatively, a beneficiary named on a savings bond may request redemption. If the beneficiary requests redemption, he or she must provide ACH instructions for the payment.

(viii) Registration example: "John Doe, SSN 123-45-6789 POD (payable on death to) Jane Doe, SSN 987-65-4321."

(3) *Primary owner with secondary owner.* (i) The purchaser must be named in the registration as the primary owner with another individual as secondary owner.

(ii) The primary owner holds the securities in his or her account and may view or conduct permitted online transactions in the securities.

(iii) The primary owner may remove the secondary owner without the consent of the secondary owner.

(iv) The secondary owner has no rights to view or conduct transactions in any security unless the primary owner gives the secondary owner these rights.

(v) The primary owner may give the secondary owner the right to view any security or rights to view and conduct transactions in any security online from the account of the secondary owner.

(vi) Once the right to conduct transactions in a security has been given to the secondary owner, the primary owner may view and conduct transactions in the security from the primary owner's account, and the secondary owner may view and conduct transactions in the security using the secondary owner's own account.

(vii) The primary owner may revoke any rights previously given to the secondary owner at any time.

(viii) Upon the death of either the primary or secondary owner, the security becomes the property of the survivor, despite any attempted testamentary disposition or any applicable local law to the contrary.

(ix) If both the primary and the secondary owner die under conditions where it cannot be established, either by presumption of law or otherwise, who died first, the security is the property of the estate of the primary owner.

(x) In order for the secondary owner to obtain the security or the security proceeds after the death of the primary owner, the secondary owner must provide proof of death of the primary owner. If the secondary owner has a TreasuryDirect account, the security will be transferred to that account. If the secondary owner does not have an account, he or she may establish an account. Alternatively, a secondary owner named on a savings bond may request redemption. If the secondary owner requests redemption, he or she must provide ACH instructions.

(xi) Registration example: "John Doe, SSN 123-45-6789 with Joseph Doe, SSN 987-65-4321."

(c) *Forms of registration for entities.* The forms of registration available for

entities are sole proprietorship; partnership; corporation; limited liability company or professional limited liability company (LLC or PLLC); trust; decedent's estate; and estate of a living person such as an incompetent or a minor.

The entity account manager must be the owner of the business. Registration example: "John Doe DBA Doe Plumbing Supplies, EIN 12-3456789, [or SSN 123-45-6789]."

(2) *Partnership.* A partnership form of registration is available for two or more individuals who are doing business as a partnership, including a limited liability partnership. Unless the name of a partnership includes the word "partnership," the registration must include descriptive words indicating partnership status. The entity account manager must be a general partner, and must certify that he or she has the authority to act alone on behalf of the partnership with regard to this account. (5) *Trust.* A trust form of registration is available. The trust form of registration is not available for trusts in which the trustee is acting on behalf of a federal, state, or local government. The registration must identify the trust with specificity; at a minimum, it must include the authority or document creating the trust, the date the document was executed (except in the case of a probated will when the date is not necessary), the name of a trustee of the trust who is authorized to act alone on behalf of the trust with regard to the account, and any information that is necessary to distinguish the trust from any other trust. The registration may also include the names of additional trustees and the full name of the trust. If one or more of the trustees are individuals, and the entity account manager is an individual trustee, the entity account manager must be named in the registration. If an organization serving as a trustee of the trust will administer this account, the entity account manager must be a duly authorized employee of that organization who has the authority to act alone on behalf of the organization in its role as trustee of the trust with regard to the account, and the organization must be named in the registration. In either case, the entity account manager must certify that he or she has the authority to act alone on behalf of the trust with regard to the account. Registration examples: "John Doe, Trustee under Declaration of Trust dated January 1, 2001, SSN 123-45-6789;" "First National Bank, Trustee under Declaration of Trust dated January 1, 2001, EIN 12-3456789;" "John Doe or Sarah Jones, Trustees under Agreement with Jane Doe dated January 1, 2001, SSN 123-45-6789;" "Sarah Jones, Trustee under the Will of Matthew Smith, deceased, SSN 123-45-6789;" "Jane Doe, Trustee of the Doe Family Trust dated January 1, 2001, EIN 12-3456789."

This form of registration is not available where the legal guardian is acting on behalf of a federal, state, or local government. The entity account manager must be a court-appointed legal guardian who has the authority to act alone with regard to the account, or an employee of the court-appointed organizational legal guardian who has the authority to act alone with regard to the account on behalf of the organization in its role as legal guardian. The custodian may transfer one or more of the securities at a time, or the custodian may de-link the account and transfer all of the securities contained in the account to the minor's previously established primary TreasuryDirect account. The minor must establish his or her own primary TreasuryDirect account prior to transfer of his or her securities.

§ 363.28 Does Public Debt reserve the right to require that any TreasuryDirect® transaction be conducted in paper form?

We reserve the right to require any transaction to be conducted in paper form. Signatures on paper transactions must be certified or guaranteed as provided in § 363.43.

[70 FR 57434, Sept. 30, 2005]

§ 363.29 May Treasury close an account, suspend transactions in an account, or refuse to open an account?

We reserve the right to take any of the following actions if, in our sole discretion, we deem the action to be in the best interests of the United States:

(a) Refuse to open an account for any person;

(b) Close any existing account, redeem, sell, or liquidate the securities held in the account, and pay the proceeds to the person entitled;

(c) Suspend transactions with respect to an account or any security held in an account; or

(d) Take any other action with regard to any account that we deem necessary, if not inconsistent with existing law and existing rights.

[70 FR 57434, Sept. 30, 2005, as amended at 72 FR 30978, June 5, 2007]

§ 363.30 What actions may Treasury take if funds used to purchase a security were credited or debited in error or through fraud?

(a) If Treasury sustains a loss because the funds used to purchase a security were debited from an account at a financial institution from which the TreasuryDirect account owner did not have the right to authorize such ACH debit entry, we reserve the right to redeem that security from the account and use the proceeds to reimburse Treasury for the loss. If such security has been transferred to another TreasuryDirect account, we reserve the right to reverse the transfer, redeem the security, and use the proceeds to reimburse Treasury for the loss. If such security has been redeemed or has matured and the proceeds paid to the account owner, we reserve the right to

take any action that we deem appropriate, including redeeming other securities remaining in the account and using the proceeds to reimburse Treasury for the loss.

(b) If an employer or a third-party agent acting on behalf of one or more employers certifies, under penalty of perjury, that it has made an erroneous ACH credit entry to purchase a TreasuryDirect certificate of indebtedness, we reserve the right to redeem securities from the TreasuryDirect account to which the entry was made in the amount of the erroneous entry and return the funds. No action will be taken if the certification is not received by Treasury within 45 days of the erroneous entry. We will only return funds if the erroneous entry was made to an account that does not belong to the intended recipient, is a duplicate payment, is in an amount that is greater than was authorized by the recipient, or was made in error because the employee was not in a pay status. We reserve the right to refuse to return an entry. By requesting that Treasury correct an erroneous entry, the employer agrees to indemnify Treasury for any loss that Treasury may incur as a result of the correction of the error and agrees to provide such information and assistance as Treasury may require.

(c) If a financial institution, except a financial institution acting on behalf of an employer, makes an erroneous ACH credit entry to a TreasuryDirect® account and provides a certification as to the circumstances of the erroneous entry within 6 months of the entry date, we will notify the account owner of the erroneous ACH credit entry and attempt to resolve the issue. We reserve the right to place a hold on and to redeem securities from the TreasuryDirect® account to which the ACH credit entry was made in the amount of the erroneous credit entry and return the funds to the financial institution. The financial institution agrees to indemnify Treasury for any loss that Treasury may incur as a result of the correction of the error and agrees to provide information and assistance as Treasury may require.

§ 363.44 What happens when a TreasuryDirect® account owner dies and the estate is entitled to securities held in the account?

(a) *Estate is being administered.* For an estate that is being administered, the legal representative of the estate must open a TreasuryDirect account in the name of the estate in order to conduct transactions. The legal representative of the estate may then conduct any transactions that are available to an individual account owner. We will require appropriate proof of appointment for the legal representative of the estate. Letters of appointment must be dated not more than one year prior to the date of submission of the letters of appointment.

(b) *Estate has been settled previously.* If the estate has been settled previously through judicial proceedings, the persons entitled may request payment of securities, if the securities are eligible

for redemption, or may transfer the securities to the TreasuryDirect accounts of the persons entitled, if the securities are eligible for transfer. We will require a certified copy of the court-approved final accounting for the estate, the court's decree of distribution, or other appropriate evidence. If payment is requested, we will require ACH instructions to process the request.

(c) *Special provisions under the law of the jurisdiction of the decedent's domicile.* If there is no formal or regular administration and no representative of the estate is to be appointed, the person appointed to receive or distribute the assets of a decedent's estate without regular administration under summary or small estates procedures under applicable local law may request payment of securities, if the securities are eligible for redemption, or may transfer the securities to or on behalf of the persons entitled by the law of the jurisdiction in which the decedent was domiciled at the date of death, if the securities are eligible for transfer. We will require appropriate evidence. If payment is requested, we will require ACH instructions to process the request.

(d) *When administration is required.* If the total redemption value of the Treasury securities and undelivered payments, if any, held directly on our records that are the property of the decedent's estate is greater than \$100,000, administration of the decedent's estate will be required. The redemption value of savings bonds and the principal amount of marketable securities will be used to determine the value of securities, and will be determined as of the date of death. Administration may also be required at the discretion of the Department for any case.

(e) *Voluntary representative for small estates that are not being otherwise administered—(1) General.* A voluntary representative is a person qualified according to paragraph (e)(3) of this section, to redeem or transfer a decedent's securities. The voluntary representative procedures are for the convenience of the Department; entitlement to the decedent's securities and held payments, if any, is determined by the law of the jurisdiction in which the decedent was domiciled at the date of

death. Voluntary representative procedures may be used only if:

(i) There has been no administration, no administration is contemplated, and no summary or small estate procedures under applicable local law have been used;

(ii) The total redemption value of the Treasury securities and held payments, if any, held directly on our records that are the property of the decedent's estate is \$100,000 or less, as of the date of death, and

(iii) There is a person eligible to serve as the voluntary representative according to paragraph (e)(3) of this section.

(2) *Authority of voluntary representative.* A voluntary representative may:

(i) Redeem the decedent's savings bonds that are eligible for redemption. Payment may be made to the voluntary representative on behalf of or directly to the persons entitled by the law of the jurisdiction in which the decedent was domiciled at the date of death;

(ii) Transfer the decedent's securities to the persons entitled by the law of the jurisdiction in which the decedent was domiciled at the date of death.

(3) *Order of precedence for voluntary representative.* An individual eighteen years of age or older may act as a voluntary representative according to the following order of precedence: a surviving spouse; if there is no surviving spouse, then a child of the decedent; if there are none of the above, then a descendant of a deceased child of the decedent; if there are none of the above, then a parent of the decedent; if there are none of the above, then a brother or sister of the decedent; if there are none of the above, then a descendant of a deceased brother or sister of the decedent; if there are none of the above, then a next of kin of the decedent, as determined by the laws of the decedent's domicile at the date of death. As used in this order of precedence, child means a natural or adopted child of the decedent.

(4) *Liability.* By serving, the voluntary representative warrants that the distribution of payments or securities are to or on behalf of the persons entitled by the law of the jurisdiction in which the decedent was domiciled at

the date of death. The United States is not liable to any person for the improper distribution of payments or securities. Upon payment or transfer of the securities to the voluntary representative, the United States is released to the same extent as if it had paid or delivered to a representative of the estate appointed pursuant to the law of the jurisdiction in which the decedent was domiciled at the date of death. The voluntary representative shall indemnify and hold harmless the United States and all creditors and persons entitled to the estate of the decedent. The amount of the indemnification is limited to an amount no greater than the value received by the voluntary representative.

(5) *Creditor*. If there has been no administration, no administration is contemplated, no summary or small estate procedures under applicable local law have been used, and there is no person eligible to serve as a voluntary representative pursuant to paragraph (e) of this section, then a creditor may make a claim for payment of the amount of the debt, providing the debt has not been barred by applicable local law.

[70 FR 57435, Sept. 30, 2005, as amended at 70 FR 57443, Sept. 30, 2005; 74 FR 19419, Apr. 29, 2009]

(a) *Notice of adverse claim or pending judicial proceedings*. We are not subject to and will not accept a notice of an adverse claim or notice of pending judicial proceedings involving a security held in TreasuryDirect.

(b) *Competing claims to a security*. The Department of the Treasury, Public Debt, and the Federal Reserve Banks are not proper defendants in a judicial proceeding involving competing claims to a security held in TreasuryDirect.

(c) *Divorce decree*. We will recognize a divorce decree that either disposes of a security held in TreasuryDirect or ratifies a property settlement agreement disposing of a security that is the property of either of the parties. If the divorce decree does not set out the terms of the property settlement agreement,

we will require a certified copy of the agreement.

(d) *Final court order*. We will recognize a final order entered by a court that affects ownership rights in a security held in TreasuryDirect only to the extent that the order is consistent with the provisions of this part. The owner of the security must be a party to the proceedings.

(e) *Levy to satisfy money judgment*. We will honor a transaction request submitted by a person appointed by a court and having authority under an order of a court to dispose of a security held in TreasuryDirect pursuant to a money judgment against the owner of the security, as owner is defined in § 363.6 of this part. In the case of savings bonds, we will only make payment pursuant to the court order to the extent of the money judgment. We will not transfer the savings bonds.

(f) *Internal Revenue Service (IRS) levy*. We will honor an IRS notice of levy under section 6331 of the Internal Revenue Code:

(1) Against the owner, as owner is defined in § 363.6 of this part, including a levy against the owner in the capacity of nominee, transferee, or alter ego;

(2) Against a secondary owner, if the secondary owner has the right to conduct transactions in a security at the date and time the notice of levy is delivered to Public Debt; or

(3) Against an owner's property to which a federal tax lien is attached.

(g) *Trustee in bankruptcy, a receiver of an insolvent's estate, a receiver in equity, or a similar court officer*. We will honor a transaction request submitted by a trustee in bankruptcy, a receiver of an insolvent's estate, a receiver in equity, or a similar court officer, if the original court order is against the owner, as owner is defined in § 363.6 of this part. In the case of savings bonds, we will only make payment. We will not transfer the savings bonds.

(h) *Court order that attempts to defeat or impair survivorship rights*. We will not recognize a court order that attempts to defeat or impair the survivorship rights of a beneficiary, secondary owner, coowner of a converted savings

§ 363.46 What evidence is required to establish the validity of judicial proceedings?

(a) We will require certified copies of the final judgment, decree, or court order, and any necessary supplementary proceedings.

(b) A transaction request by a trustee in bankruptcy or a receiver of an insolvent's estate must be supported by evidence of appointment and qualification.

(c) A transaction request by a receiver in equity or a similar court officer (other than a receiver of an insolvent's estate) must be supported by a copy of an order that authorizes the receiver or similar court officer to take possession and control of the security.

[70 FR 57435, Sept. 30, 2005]

§ 363.47 Will Public Debt pay Treasury securities pursuant to a forfeiture proceeding?

(a) *General.* We will honor a judicial or administrative forfeiture order or declaration of forfeiture submitted by a federal agency. We will rely exclusively upon the information provided by the Federal forfeiting agency and will not make any independent evaluation of the validity of the forfeiture order, the request for payment, or the authority of the individual signing the transaction request. The amount to be paid or transferred is limited to the value of the security as of the date of forfeiture.

(b) *Definition of special terms relating to forfeitures.*

Contact point means the individual designated by the Federal investigative agency, United States Attorney's Office, or forfeiting agency, to receive referrals from Public Debt.

Forfeiting agency means the federal law enforcement agency responsible for the forfeiture.

Forfeiture means the process by which property may be forfeited by a federal agency. Administrative forfeiture is forfeiture by a federal agency without

judicial proceedings resulting in a declaration of forfeiture; judicial forfeiture is a forfeiture through either a civil or criminal proceeding in a United States District Court resulting in a final judgment and order of forfeiture.

(c) *Procedures for a forfeiting agency to request forfeiture of Treasury securities.* A forfeiting agency must request forfeiture. An individual authorized by the forfeiting agency must sign the transaction request. The request must be mailed to the Department of the Treasury, Bureau of the Public Debt, Parkersburg, WV 26106-7015.

(d) *Public Debt procedures upon receipt of forfeiture request.* Upon receipt and review of the transaction request, we will make payment to the forfeiture fund specified, if the security is eligible for payment, or we will transfer the security pursuant to the transaction request. We will record the forfeiture, the forfeiture fund into which the proceeds were paid or the security transfer records, the contact point, and any related information.

(e) *Inquiries from previous owner.* All inquiries or claims from the previous owner will be referred to the contact point of the forfeiting agency. We will tell the person who inquired that we referred his or her inquiry to the contact point. We will not investigate the inquiry. Bonds may not be pledged or used as collateral for the performance of an obligation.

§ 363.59 What is a payroll savings plan?

A payroll savings plan is an automatic method of purchasing savings bonds. (See the definition in §363.6.) You may open your payroll savings plan by selecting an amount, series, and registration for your savings bond purchases using functionality in your TreasuryDirect® account. Each bond purchase must be in a minimum amount of \$25 with additional one-cent increments above that amount, up to a maximum amount of \$5000, in any one transaction. The series may be either a Series EE or Series I savings bond. The registration may be any authorized form of registration for an electronic savings bond. You must also initiate a request to your employer or your financial institution to send credits on a recurring basis to your payroll savings plan through the ACH method to purchase a payroll zero-percent certificate of indebtedness. (See Subpart D for more information about a payroll zero-percent certificate of indebtedness.) When you have accumulated a sufficient amount of payroll zero-percent certificate of indebtedness to purchase a savings bond in the amount, series, and registration that you selected, the TreasuryDirect® system will automatically redeem your payroll zero-percent certificate of indebtedness and purchase your selected savings bond.

Subpart D—Zero-Percent Certificate of Indebtedness

SOURCE: 69 FR 50309, Aug. 16, 2004, unless otherwise noted.

GENERAL

§ 363.130 What does this subpart cover?

This subpart is the offering of the zero-percent certificate of indebtedness by the Secretary of the Treasury (Secretary), and will continue until suspended or terminated by the Secretary. This subpart is also the governing regulations for the zero-percent certificate of indebtedness.

§ 363.131 What is a TreasuryDirect® zero-percent certificate of indebtedness?

A TreasuryDirect® zero-percent certificate of indebtedness is a non-interest-bearing security that is issued daily, with a one-day maturity, which automatically rolls over at maturity until you request redemption. A zero-percent certificate of indebtedness has a minimum purchase amount of one

cent. The only purpose of a zero-percent certificate of indebtedness is to accumulate funds for the purchase of another eligible security in the TreasuryDirect system. A zero-percent certificate of indebtedness within a minor's account is the property of the minor alone. The payroll zero-percent certificate of indebtedness is a restricted form of the zero-percent certificate of indebtedness that is held separately from the zero-percent certificate of indebtedness and used only for purchases made through the payroll savings plan.

[69 FR 50309, Aug. 16, 2004, as amended at 75 FR 70816, Nov. 19, 2010]

§ 363.132 Can the sale of the zero-percent certificate of indebtedness be suspended?

The Secretary may suspend and rescind the suspension of sales of the zero-percent certificate of indebtedness by announcement at any time.

§ 363.133 What happens to my zero-percent certificate of indebtedness if the offering is terminated by the Secretary?

Upon the termination of this offering by the Secretary, the zero-percent certificate of indebtedness ceases to roll over; the proceeds will be paid by the ACH method to the bank account at a financial institution that you designated in your TreasuryDirect® account as your primary bank account.

§ 363.134 What regulations cover a zero-percent certificate of indebtedness?

The regulations in part 363 apply to a zero-percent certificate of indebtedness. We expressly disclaim representations or warranties regarding a zero-percent certificate of indebtedness that in any way conflict with these regulations and other applicable law.

§ 363.135 In what form is a zero-percent certificate of indebtedness issued?

A zero-percent certificate of indebtedness is issued in electronic form only in the TreasuryDirect® system.

§ 363.136 Do zero-percent certificates of indebtedness pay interest?

Zero-percent certificates of indebtedness do not pay any interest. However, the Secretary may prescribe a rate of interest, or change the interest rate, for zero-percent certificates of indebtedness by announcement at any time. The new rate would apply to zero-percent certificates of indebtedness issued thereafter, as provided in the announcement. The Secretary's determination of the rate will be final.

§ 363.137 What do I need to know about the registration of a zero-percent certificate of indebtedness?

A zero-percent certificate of indebtedness is automatically registered in the name of the TreasuryDirect® account owner.

[74 FR 19420, Apr. 29, 2009]

§ 363.138 Is Treasury liable for the purchase of a zero-percent certificate of indebtedness that is made in error?

[70 FR 14943, Mar. 23, 2005, as amended at 70 FR 57347, Sept. 30, 2005; 74 FR 19420, Apr. 29, 2009]

§ 363.161 What definitive savings bonds are eligible to be converted to book-entry bonds?

Series E, Series EE, and Series I savings bonds issued in denominations of \$25 or greater are eligible for conversion to book-entry bonds in TreasuryDirect®.

[74 FR 19420, Apr. 29, 2009]

§ 363.162

§ 363.162 Who may convert a definitive savings bond?

The owner of a TreasuryDirect® primary account may convert a definitive savings bond.

(a) *Bond that is registered to the account owner.* The following persons may convert a definitive savings bond of an eligible series to a book-entry bond to be held in the person's TreasuryDirect account:

(1) The owner of a definitive savings bond registered in the single owner or entity form of registration;

(2) Either co-owner of a bond registered in the coowner form of registration; and

(3) The owner of a bond registered in the owner with beneficiary form of registration.

(b) *Bond that is registered to someone other than the account owner.* We will convert an eligible definitive savings bond submitted by an individual account owner who is not the registered owner of the savings bond. See the special rules in § 363.166.

[74 FR 19420, Apr. 29, 2009]

§ 363.163 How do I convert an eligible definitive savings bond?

We will provide online instructions for converting your definitive savings bond. You must surrender to us the definitive bond to be converted at the time of conversion.

§ 363.164 Is a converted savings bond eligible to be converted back into a definitive bond?

Once a definitive savings bond has been converted to a book-entry bond, it may not be converted back into a definitive bond.

§ 363.165 What happens when I convert a savings bond that is registered in my name as a single owner, either coowner, an owner with a beneficiary, or an entity?

(a) *Unmatured savings bond.* When the conversion is approved, an unmatured savings bond that is registered in the name of the TreasuryDirect® account owner as a single owner, either coowner, an owner with beneficiary, or an entity, will be released to the account owner's conversion linked account.

31 CFR Ch. II (7–1–11 Edition)

(b) *Matured savings bond.* A savings bond that has reached final maturity and is registered in the name of the TreasuryDirect account owner as a single owner, either coowner, an owner with beneficiary, or an entity, will be converted to a book-entry savings bond and automatically redeemed. The redemption proceeds will be used to purchase a zero-percent certificate of indebtedness in the account owner's name in the primary account.

[74 FR 19420, Apr. 29, 2009]

§ 363.166 What happens when I convert a savings bond that is not registered in my name as owner, either coowner, or owner with beneficiary (including a bond registered in the name of a minor)?

We will presume that a savings bond registered in the name of someone other than the TreasuryDirect® account owner (including a bond registered in the name of a minor) was purchased by the account owner as a gift for the registered owner. We will not permit an entity to convert a savings bond that is not registered in the name of the entity.

(a) *Unmatured savings bond—(1) General.* An unmatured savings bond registered in the name of someone other than the account owner will be converted to a book-entry bond, released as a gift bond to the account owner's conversion linked account, and held until delivered to the TreasuryDirect account (or minor linked account, if the registered owner is a minor) of the registered owner.

(2) *Delivery of unmatured gift bond to registered owner.* The TreasuryDirect account owner may deliver the converted gift bond to the TreasuryDirect account (or minor linked account, if the registered owner is a minor) of the registered owner, or, if the bond is registered in the coowner form of registration, to the account of either coowner. A bond registered in coowner or owner with beneficiary form of registration will retain the coowner or beneficiary form of registration upon delivery.

(b) *Savings bond that has reached final maturity—(1) General.* A savings bond that has reached final maturity and is registered in the name of someone other than the account owner will be

converted to a book-entry bond, released as a gift bond into the account owner's conversion linked account, and automatically redeemed. We will hold the redemption proceeds in the name of the registered owner of the definitive bond until the proceeds are delivered to the TreasuryDirect account (or minor linked account, if the registered owner is a minor) of the registered owner.

(2) *Delivery of bond proceeds to registered owner.* If the gift bond has reached final maturity and has been automatically redeemed, then the Treasury Direct account owner may direct that the held redemption proceeds be delivered to the Treasury Direct account of the registered owner (or minor linked account, if the registered owner is a minor), where we will use the proceeds to purchase a zero-percent certificate of indebtedness in the name of the registered owner. If the bond is registered in the coowner form of registration, the account owner may direct that the held redemption proceeds be delivered to the account of either coowner, where we will use the proceeds to purchase a zero-percent certificate of indebtedness in the name of the coowner to whose account the bond was delivered.

[70 FR 14943, Mar. 23, 2005, as amended at 70 FR 57347, Sept. 30, 2005; 74 FR 19420, Apr. 29, 2009]

§ 363.167 How will a converted savings bond be registered?

The registration of the converted bond will be the same as on the definitive bond, provided that it was registered properly in an authorized form of registration. We will change a definitive savings bond that was not registered in an authorized form of registration to the closest authorized form of registration. For example, a definitive savings bond erroneously registered "John Doe and Jane Doe" will be changed to "John Doe or Jane Doe." We are not liable to any person for any such decision as to the closest form of authorized registration.

§ 363.168 What rules regarding registration apply to a converted savings bond?

(a) *Savings bond of any series registered in the single owner or entity form of reg-*

istration. By converting a definitive bond of any eligible series registered in the single owner or entity form of registration to book-entry in TreasuryDirect®, the owner has consented to the bond being governed by the rules regarding registration contained in subpart C of this part.

(b) *Savings bond of Series EE or Series I registered in the owner with beneficiary form of registration.* By converting a definitive bond of Series EE or Series I registered in an owner with beneficiary form of registration to a book-entry bond in TreasuryDirect, the owner has consented to the bond being governed by the rules regarding registration contained in subpart C of this part.

(c) *Savings bond of Series E registered in the owner with beneficiary form of registration.* The registration of a converted savings bond of Series E registered in the owner with beneficiary form of registration may be changed upon the request of the owner and the consent of the beneficiary. The transaction will not be conducted through the registered owner's TreasuryDirect account.

(d) *Savings bond of any series registered in the coowner form of registration.* The registration of a converted savings bond of any eligible series registered in the coowner form of registration may be changed upon the request of one coowner and the consent of the other coowner. § 363.169 What transactions can I conduct in a converted savings bond on which I am registered as the single owner, either coowner, the owner with a beneficiary, or an entity?

(a) *Savings bond of any series registered in the single owner or entity form of registration.* By converting a definitive savings bond of any series registered in the single owner or entity form of registration to a book-entry bond, you have consented to the bond being treated as if it were originally issued as a book-entry bond in TreasuryDirect®. The bond will be subject to the provisions of subpart C of this part. Any transaction available for a book-entry

bond originally issued in the TreasuryDirect system is available for a converted bond registered in single owner or entity form of registration.

(b) *Savings bond of Series EE and Series I registered in the owner with beneficiary form of registration.* By converting a definitive savings bond registered in the owner with beneficiary form of registration to a book-entry bond, you have consented to the bond being treated as if it were originally issued as a book-entry bond in TreasuryDirect. The bond will be subject to the provisions of subpart C of this part. Any transaction available for a book-entry bond purchased in the TreasuryDirect system is available for a converted bond of Series EE and Series I registered in the owner with beneficiary form of registration.

(c) *Savings bond of Series E registered in the owner with beneficiary form of registration.* The owner of a converted Series E bond registered in the owner with beneficiary form of registration may make the following transactions:

(1) *Provide view rights to the beneficiary.* The owner may provide the beneficiary with the right to view the bond in the beneficiary's TreasuryDirect account. Once the right to view the bond is provided to the beneficiary, the owner may not revoke that right.

(2) *Transfer without change in registration.* The owner may transfer the bond without a change of registration to another account in the name of the owner.

(3) *Remove the beneficiary from the registration.* The owner may remove the beneficiary's name from the registration with the consent of the beneficiary. The transaction will not be conducted through the registered owner's TreasuryDirect account. The bond will be changed to the single owner form of registration. Once the transaction is completed, the bond will be treated as a bond originally issued as a book-entry bond in TreasuryDirect, and will be subject to subpart C of this part. The owner may then perform any transaction available for book-entry bonds purchased in the TreasuryDirect system.

(4) *Transfer to the beneficiary or a third party with a change in registration.* The owner may remove his or her name

from the registration and transfer the bond to the account of the beneficiary or a third party, with the consent of the beneficiary. The transaction will not be conducted through the registered owner's TreasuryDirect account. The bond will be transferred in the single owner form of registration. Once the transfer is completed, the bond will be treated as a bond originally issued as a book-entry bond in TreasuryDirect, and will be subject to subpart C of this part. The owner may then perform any transaction available for book-entry bonds purchased in the TreasuryDirect system.

(d) *Savings bond of any series registered in the coowner form of registration.* The converting coowner of a converted bond registered in the coowner form of registration may make the following transactions:

(1) *Provide view or transact rights to non-converting coowner.* The converting coowner may provide the non-converting coowner with the rights to view the bond or to view and redeem the bond through the non-converting coowner's TreasuryDirect account. Once either of these rights is provided to the non-converting coowner, the converting coowner may not revoke the right.

(2) *Transfer without change in registration.* The converting coowner may transfer the bond without a change in registration to another account in the name of the converting coowner. The bond may be transferred without the consent of the non-converting coowner, and will retain the coowner registration.

(3) *Remove a coowner from the registration.* The converting coowner (or the non-converting coowner, if the bond has been previously transferred to the account of the non-converting coowner) may remove the other coowner from the registration. The consent of the other coowner is required. The bond must reside in the account of the coowner who is requesting the transaction. The transaction will not be conducted through the registered owner's TreasuryDirect account. The bond's registration will be changed to the single owner form of registration. Once this transaction is completed, the

bond will be treated as a bond originally issued as a book-entry bond in TreasuryDirect, and will be subject to subpart C of this part. The owner may then perform any transaction available for book-entry bonds purchased in the TreasuryDirect system.

(4) *Transfer to non-converting coowner or a third party with a change in registration.* The converting coowner may remove his or her name from the registration and transfer the bond to either the account of the non-converting coowner or to the account of a third party. The consent of the non-converting coowner is required. The transaction will not be conducted through the registered owner's TreasuryDirect account. The bond will be transferred in the single owner form of registration. Once the transfer is completed, the bond will be treated as a bond originally issued as a book-entry bond in TreasuryDirect, and will be subject to subpart C of this part. The owner may then perform any transaction available for book-entry bonds purchased in the TreasuryDirect system.

Subpart F—Marketable Treasury Securities

SOURCE: 70 FR 57444, Sept. 30, 2005, unless otherwise noted.

§ 363.200 What Treasury securities does this subpart govern?

This subpart provides the rules for holding marketable Treasury bills, notes, and bonds in book-entry form in TreasuryDirect®.

§ 363.201 What other regulations govern book-entry marketable book-entry Treasury bills, notes, and bonds?

(a) 31 CFR part 356 governs the sale and issue of marketable book-entry Treasury securities on or after March 1, 1993, whether held in TreasuryDirect®, Legacy Treasury Direct, or the commercial book-entry system.

(b) 31 CFR part 357 governs holding marketable book-entry Treasury bills, notes, and bonds in the Legacy Treasury Direct system and in the commercial book-entry system.

§ 363.202 What marketable Treasury securities may I purchase and hold through my TreasuryDirect® account?

(a) *Purchase.* (1) *Advance purchase.* You may purchase any marketable Treasury security that is available for purchase through the TreasuryDirect® website. One day each week, marketable securities that are scheduled for auction within 8 weeks will be made available on the TreasuryDirect website for scheduling an advance purchase, and are the only marketable securities that you can schedule for advance purchase.

(2) *Purchases scheduled prior to May 15, 2010, with an effective issue date on or after May 15, 2010.* (i) Any marketable security purchase scheduled prior to May 15, 2010, and with an effective issue date of May 15, 2010, through July 9, 2010, will be treated as a new purchase, even if the transaction would have been treated as a reinvestment under the rules in effect prior to May 15, 2010.

(ii) Any marketable security purchase scheduled prior to May 15, 2010, with an effective issue date after July 9, 2010, will be canceled.

(b) *Hold.* You may transfer into the system and maintain in your TreasuryDirect account any eligible marketable book-entry Treasury bill, note, or bond.

[70 FR 57444, Sept. 30, 2005, as amended at 75 FR 26090, May 11, 2010]

§ 363.203 After I purchase my marketable Treasury security in TreasuryDirect®, is there a period of time during which I may not transfer the security?

Once you purchase a marketable Treasury security in TreasuryDirect, you may not transfer that security for a period of 45 calendar days after the issue date of the security, or the term of the security, whichever is less.

§ 363.204 What registrations are available for my marketable Treasury securities held in TreasuryDirect®?

You may register your marketable Treasury securities in any form of registration permitted by § 363.20 of this part.

§ 363.205 How do I reinvest the proceeds of a maturing security held in TreasuryDirect®?

(a) *Method for reinvesting a maturing security.* The only method of reinvesting a maturing marketable security in TreasuryDirect® is through the automatic reinvestment option available in your TreasuryDirect account. Purchasing a security by directing that the proceeds of a maturing security be used to purchase a zero-percent certificate of indebtedness, and then scheduling the purchase of a new security using the redemption proceeds of the zero-percent certificate of indebtedness, is not a reinvestment.

(b) *When a reinvestment can be scheduled, edited, or canceled.* You can schedule your reinvestment either at the time of purchase or after the security is issued into your TreasuryDirect account. You cannot schedule, edit, or cancel a reinvestment when the maturing security goes into a closed book period, or when a noncompetitive bid for

the replacement security is no longer accepted, whichever comes first.

(c) *What securities can be reinvested.* Any marketable security can be reinvested.

(d) *Limits on scheduling reinvestments.* Reinvestments will be limited at any one time to 25 times for a 4-week bill, 7 times for a 13-week bill, 3 times for a 26-week bill, and once for all other marketable security types.

(e) *Canceling reinvestments.* If there is no security available for reinvestment with an issue date that coincides with the maturity date or call date, if invoked, of the maturing security, and with the same type and term, the scheduled reinvestment will be canceled and the proceeds of the maturing security will be returned to the customer.

(f) *Procedure if there are insufficient funds from the maturing security to pay the full purchase price of the replacement security.* If there are insufficient funds from the maturing security to pay the full purchase price of the replacement security, we will either debit your primary account at a financial institution or pay the additional funds using the redemption proceeds of your zero-percent certificate of indebtedness.

(1) *Debit from primary account at financial institution.* If the maturing security is purchased on or after May 15, 2010, we will pay the additional funds by a debit from your primary account at a financial institution if the maturing security was purchased within TreasuryDirect by a debit from a financial institution account or if the maturing security was received through a transfer. If we are unable to obtain sufficient funds from your primary account at a financial institution, the reinvestment will be canceled and we will refund the proceeds of the maturing security.

(2) *Withdrawal of funds from zero-percent certificate of indebtedness.* If the maturing security is purchased on or after May 15, 2010, we will pay the additional funds using the redemption proceeds of your zero-percent certificate of indebtedness if the purchase of the maturing security was made using the zero-percent certificate of indebtedness. If the amount available from a redemption of the zero-percent certifi-

cate of indebtedness is insufficient to pay the additional amount, the reinvestment will be canceled and we will refund the proceeds of the maturing security.

(3) *Special rules if the maturing security was purchased prior to May 15, 2010.* If the maturing security was purchased within TreasuryDirect or received through a transfer prior to May 15, 2010, we will debit your primary account at a financial institution for the additional funds. If we are unable to obtain sufficient funds from your primary account at a financial institution, the reinvestment will be canceled and we will refund the proceeds of the maturing security.

[75 FR 26090, May 11, 2010]

§ 363.206 How can I transfer my marketable Treasury security into my TreasuryDirect® account from another book-entry system?

(a) *Legacy Treasury Direct to TreasuryDirect.* 31 CFR part 357, subpart C, governs the transfer of a marketable book-entry Treasury security from your Legacy Treasury Direct account into TreasuryDirect.

(b) *Commercial book-entry system to TreasuryDirect.* You may transfer your marketable Treasury security from the commercial book-entry system by contacting the financial institution or broker that handles your commercial book-entry account.

(c)(1) *Individuals.* When a security is transferred into the TreasuryDirect account of an individual, it will be transferred in the name of the individual account owner in the single owner form of registration, regardless of the form of registration prior to the transfer. After the transfer is completed, you can change the registration to any form of registration permitted by these regulations.

(2) *Entities.* When a security is transferred into the TreasuryDirect account of an entity, the security will be transferred in the name of the entity, regardless of the form of registration prior to the transfer.

(d) *Amounts transferred.* You can only transfer in increments of \$1000.

§ 363.209 [Reserved]

§ 363.210 Is there any period of time during which I will be unable to process certain transactions regarding my security?

A closed book period will be in effect for four business days prior to the date a marketable security interest and/or redemption payment is made. During the closed book period, you cannot change the registration of the security, change the payment destination of the proceeds, change the view or transaction rights, make transfers, or schedule, edit, or cancel a reinvestment. We will hold transactions requiring submission of a form for processing until the closed book period ends.
