SUPPLEMENTARY INFORMATION: The Commission instituted the instant investigation on December 16, 2009, based on a complaint filed by Pioneer Corporation of Tokyo, Japan and Pioneer Electronics (USA) Inc. of Long Beach, California (collectively, "Pioneer"). *74 Fed. Reg.* 66676 (Dec. 16, 2009). The complaint alleged violations of section 337 of the Tariff Act of 1930, as amended, (19 U.S.C. § 1337) in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain multimedia display and navigation devices and systems, components thereof, and products containing same by reason of infringement of various claims of United States Patent Nos. 5,365,448 ("the '448 patent"), 5,424,951 ("the '951 patent"), and 6,122,592 ("the '592 patent"). The complaint named Garmin International, Inc. of Olathe, Kansas, Garmin Corporation of Taiwan (collectively,

“Garmin”) and Honeywell International Inc. of Morristown, New Jersey (“Honeywell”) as the proposed respondents. Honeywell was subsequently terminated from the investigation.

On December 16, 2010, the ALJ issued his final initial determination (“ID”). In his final ID, the ALJ found no violation of section 337 by Garmin. Specifically, the ALJ found that the accused products do not infringe claims 1 and 2 of the ‘448 patent, claims 1 and 2 of the ‘951 patent, or claims 1 and 2 of the ‘592 patent. The ALJ found that the ‘592 patent was not proven to be invalid and that Pioneer has established a domestic industry under 19 U.S.C. § 1337(a)(3)(C). On February 23, 2011, the Commission determined to review the final ID in part.

On April 18, 2011, the Commission issued a notice indicating that it had determined to extend the target date and request supplemental briefing from the private parties and the public. Submissions were received from the parties and members of the public.

The Commission has determined to extend the target date by seven (7) days from June 17, 2011, to June 24, 2011, to give further consideration to its determination.

The authority for the Commission’s determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. § 1337), and in Part 210 of the Commission’s Rules of Practice and Procedure (19 C.F.R. Part 210).

By order of the Commission.
