SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on January 10, 2012, based on a complaint filed by Standard Innovation Corporation of Ottawa, ON, Canada and Standard Innovation (US) Corp. of Wilmington, Delaware (collectively, “Standard Innovation”). 77 *Fed. Reg.* 1504 (Jan. 10, 2012). The complaint alleged violations of section 337 of the Tariff Act of 1930 (19 U.S.C. § 1337) in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain

kinesiotherapy devices and components thereof by reason of infringement of various claims of United States Patent Nos. 7,931,605 and D605,779 (“the ‘779 patent”). The complaint named twenty-one business entities as respondents, several of which have since been terminated from the investigation based upon consent orders. The Commission also determined not to review an ID terminating the investigation with respect to the ‘779 patent.

On July 23, 2012, Standard Innovation and Bushman filed a joint motion pursuant to Commission Rule 210.21(c)(1)(ii) to terminate the investigation as to Bushman based upon the entry of a consent order. On July 24, 2012, Standard Innovation and Evolved filed a joint motion pursuant to Commission Rule 210.21(c)(1)(ii) to terminate the investigation as to Evolved based upon the entry of a consent order. The two motions included proposed consent orders and consent order stipulations. The Commission investigative attorney filed a response supporting the motion. No other responses were filed.

On August 9, 2012, the ALJ issued the subject IDs, granting the joint motions pursuant to section 210.21(c)(3) of the Commission’s Rules of Practice and Procedure (19 C.F.R. § 210.21(c)(3)). No petitions for review were filed. The Commission has determined to review the IDs. On review, the Commission requests that by September 24, 2012, the parties submit to the Commission revised Consent Orders that specify the activities authorized in the Bushman Settlement Points Agreement and Evolved Novelties Settlement Points Agreement in order to provide public notice as to the scope of the Consent Orders.

The authority for the Commission’s determination is contained in Section 337 of the Tariff Act of 1930, as amended (19 U.S.C. § 1337), and in sections 210.42 and 210.44 of the Commission’s Rules of Practice and Procedure (19 C.F.R. §§ 210.42, 210.44).

By order of the Commission.
