

SMART Job Search Goals

Establish SMART job search goals

- **Specific**
 - Exactly *what* do you want to do?
- **Measurable**
 - How will you know when you succeed?
- **Attainable**
 - Establish realistic, attainable goals or you'll only serve to depress yourself
- **Relevant**
 - Be sure the goal is focused on what you really want
- **Timely**
 - Set a realistic timeframe for your goal

Identify goals for:

- Your ideal position (including industry, company, work environment and anything else important to you)
