A. INTRODUCTION

1. *Coverage.* This index lists all publications issued by the U.S. International Trade Commission from 1994-1997. It also lists, in section E, investigations for which no public report was issued.
2. *Depository Libraries.* In many cases, the publications listed herein may be found in Federal Depository Libraries. These include leading public, university, and college libraries throughout the country. A complete list of depository libraries may be obtained from the Superintendent of Documents of the U.S. Government Printing Office, Washington, DC 20402 or by accessing its internet server <http://www.access.gpo.gov>.
3. *Requests and Orders.* A single copy of our publications that are listed as available from the Commission may be obtained without charge, as long as the supply lasts. Additional Commission publications may be duplicated at a cost by the on-site duplicating service, Waugh Enterprises (202) 479-2589.

Publications shown as available at the U.S. Government Printing Office may be ordered from the Division of Public Documents, U.S. Government Printing Office, Washington, DC 20402. Orders should be accompanied by check or money order. All such orders and checks should be made out to the Superintendent of Documents, *not* to the Commission.

4. *Explanation of Symbols.* In sections B, C, and D, publications are listed under several categories shown in the Outline of Contents. Summarized information concerning each report is shown in a series of five columns. For columns 1, 2 and 5, the headings are sufficiently explanatory. The symbols used in columns 3 and 4 are as follows:
