AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has determined not to review the presiding administrative law judge's ("ALJ") initial determination ("ID") (Order Nos. 7 & 7A) granting a joint motion to terminate Respondents General Electric Company of Fairfield, Connecticut and Xiamen Topstar Lighting Co., Ltd. of Fujian, China (collectively, "GE") from the investigation on the basis of a settlement agreement.

SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on February 27, 2012, based on a complaint filed by Andrzej Bobel and Neptun Light, Inc. both of Lake Forest, Illinois (collectively, "Neptun"). 77 *Fed. Reg.* 11587 (Feb. 27, 2012). The complaint alleged violations of section 337 of the Tariff Act of 1930 (19 U.S.C. § 1337) in the

importation into the United States, the sale for importation, and the sale within the United States after importation of certain dimmable compact fluorescent lamps and products containing the same by reason of infringement of various claims of United States Patent Nos. 5,434,480 and 8,035,318. The complaint named several respondents, including GE.

On May 21, 2012, Neptun and GE filed a joint motion to terminate the investigation as to GE based upon the execution of a settlement agreement. No responses to the motion were filed.

On June 26, 2012, the ALJ issued the subject ID, granting the joint motion to terminate GE from the investigation. The ALJ found that the parties complied with Commission Rule 210.21(b) (19 C.F.R. § 210.21(b)). The ALJ also found that terminating GE from the investigation would not be contrary to the public interest. None of the parties petitioned for review of the ID.

The Commission has determined not to review the ID.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. § 1337), and in section 210.42 of the Commission's Rules of Practice and Procedure (19 C.F.R. § 210.42).

By order of the Commission.
