¹Of the 81,372 cases, the Commission received complete guideline application information for 71,054 cases. Of these, 10,446 with zero months of prison ordered were excluded. In addition, 105 cases were excluded due to one or more of the following reasons: missing criminal history category (3) or missing or indeterminable sentencing information (102). The information in this table does not include any time of confinement as described in USSG §5C1.1. Descriptions of variables used in this table are provided in Appendix A.
