The complaint alleged violations of section 337 of the Tariff Act of 1930 (19 U.S.C. § 1337) in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain prepregs, laminates, and finished circuit boards that infringe certain claims of United States Patent Nos. 6,187,852; 6,322,885; and 6,509,414 (“the ‘414 patent”). On February 17, 2009, the Commission investigative attorney filed a response in support of the motion. On February 18, 2009, the presiding administrative law judge issued the subject ID, granting the motion. No petitions for review were filed.
