INTERNATIONAL CONFERENCE ON NUCLEAR DATA FOR SCIENCE & TECHNOLOGY

March 4-8, 2013

www.bnl.gov/nd2013

- Nuclear reaction, structure & decay data
- Delayed neutrons
- Fission yields
- Atomic masses
- Experimental facilities
- Nuclear theories & models
- Covariances
- Evaluated libraries
- Standards
- Dissemination & international collaborations
- Nuclear Fission (75th anniversary)
- Nuclear data for reactors
- Decay heat

- Processing, adjustment, validation & Integral experiments
- Dosimetry & shielding
- Safeguards & security
- Criticality safety
- Homeland security & safety
- Accelerator applications
- Fusion technology
- Space applications
- Astrophysics
- Medical & environmental applications
- Nuclear physics education
