Dear Military Retiree/Veteran,

Thank you for your interest in the Armed Forces Retirement Home (AFRH). We are delighted that you have decided to take a closer look at our unique retirement community. You will find that AFRH will satisfy all your requirements for retirement living.

By day you can enjoy the museums, landmarks, entertainment, activities and restaurants found throughout the Gulfport, MS and Washington, DC area, then return home to your gated community to relax, enjoy fine food, take in a movie, socialize with friends and more. Retirees have access to local military installations and on-site DoD legal services. You can choose to spend your days taking advantage of all the outstanding amenities the AFRH has to offer, including arts and crafts classes and workshops, bowling, fitness equipment, golf, swimming pool, fishing, gardening, an auto shop, theater, pool tables and organized games, events and outings.

Residents of AFRH take great comfort in knowing that they will receive top-rated independent, assisted and long-term care, as needed, regardless of financial ability. Accredited by the Commission on Accreditation of Rehabilitation Facilities (CARF)-Continuing Care Accreditation Commission (CCAC), AFRH provides increased levels of care for residents who require additional health care services.

Currently the AFRH Prioritization Plan has been engaged for new Resident move-in so that the most deserving approved applicant will have priority since the number of eligible approved applicants is greater than the AFRH can accommodate. *Priority 1* - Retirees with 20 years of service who are 100% service disabled. *Priority 2* - Veterans who are 100% service connected disabled with 10 years of active service. *Priority 3* - After Priorities I and 2 have been satisfied, applicants will be admitted following the original date of approval of their application into the AFRH.

Enclosed you will find detailed information on eligibility requirements and application procedures. We welcome the opportunity to speak with you about your important retirement decisions. If you have any questions or are uncertain about your eligibility status, please feel free to call 800-422-9988 or e-mail at admissions@afrh.gov. Additional information can be obtained through our website at www.afrh.gov.

Sincerely,
