The Fundamentals of Exporting Webinar Series Continues

Created by the Foreign Trade Division of the U.S. Census Bureau, the *official* source of U.S. export and import statistics and the Foreign Trade Regulations (FTR), this **free** in-depth webinar series provides the tools necessary for a strong foundation in the fundamentals of exporting. Topics include trade data, export regulations, electronic export reporting and much

more.

Foreign Trade Regulations – Demystifying the rules of exporting Wednesday, August 22, 1 p.m. (EDT)

The U.S. Census Bureau is the official source for U.S. export and import statistics and is responsible for issuing regulations governing the reporting of all export shipments from the United States. This fourth webinar of the eight-part series delves into the Foreign Trade Regulations, the rules and guidelines mandatory for every export transaction. Using real world examples, you will navigate through the various definitions, roles and requirements essential to successfully completing your export shipments.
