AGREEMENT FOR THE LOAN OF US ARMY MATERIEL

For use of this form, see AR 700-131; the proponent agency is DCSLOG

This loan agreement is entered into, by, and between the United States of America, hereinafter called "the lender," represented by (b) ASPCO for Texas

for the purpose of entering into this agreement, and (a) FBI

hereinafter called "the borrower," represented by (c) [redacted] for the purpose of entering into this agreement.

1. PURPOSE. Under the authority of (d) AR 700-131 the lender hereby lends to the borrower and the borrower hereby borrows from the lender the government materiel, hereinafter called "the materiel," listed and described in Exhibit 1 hereto attached and incorporated by reference into the terms of this agreement, which materiel is required by the borrower for (e) law enforcement activities within the State of Texas.

2. TERM. This loan of materiel is intended to meet a temporary need covered by federal law. The borrower will keep the materiel only for the period of (f) 10 MAR 93 - 31 MAR 93 (21) (not to exceed 90 days). Loans may be renewed, if justified, and requested by the borrower and approved by the lender. Nevertheless, the lender may revoke and terminate this agreement and return of the materiel in whole or in part at any time.

3. CONDITIONS. This agreement is predicated upon the following conditions:

a. The LENDER will make every effort to ensure that each item of the materiel is furnished to the BORROWER in a serviceable and usable condition according to its originally intended purpose. However, if the use for which the materiel is loaned will permit, materiel of a lesser condition will be loaned. This lesser condition will be noted on the appropriate loan documents. Nevertheless, the LENDER makes no warranty or guarantee of fitness of any of the materiel for any of the materiel for a particular purpose or use, or warranty of any type whatsoever.

b. This agreement covers only the specific federally owned National Guard property particularly described in Appendix A (description will cover actual condition of property and as uniquely descriptive terms as possible, such as motor number or model number) attached hereto and made a part thereof.

c. The National Guard assumes no liability for personal injury or property damage resulting from use of property on loan and hereby provides the property "as is" and makes no other warranties as to fitness for particular purpose or otherwise.

d. Property will be inspected jointly by the LENDER and the BORROWER before acceptance by the BORROWER at the time of pickup and before acceptance by the LENDER at the time of return. Description of the actual condition of the property loaned is indicated in Appendix A. However, the property will be available "as is" at TSTC AIRPORT 10 MAR 93

In event of loss, damage, or destruction LTC [redacted] representing the LENDER will be notified immediately by the BORROWER.

000000

7. The required organizational maintenance will be performed before releasing equipment to the BORROWER, if parts are available (see item 3d).

8. The BORROWER will appoint a representative for the purpose of making joint inspection and inventory of all materiel when the BORROWER physically picks up or returns the borrowed materiel. Upon pickup (or receipt after shipment) of the borrowed materiel, the accounting officer of the borrowing activity (or his authorized representative) will sign the appropriate documents acknowledging receipt and possession of the materiel. Upon return of the materiel to the LENDER, the BORROWER will certify that "the quantities listed in the shipping document (loan) are correct." In instances where BORROWER representatives authorized to receive and sign for borrowed materiel are not available when the materiel is delivered, all claims for costs related to the loan will be valid.

h. The BORROWER is responsible for care and maintenance of borrowed materiel during the term of the loan. The borrower will provide sufficient personnel and facilities to adequately operate, maintain, protect, and secure the borrowed materiel. The borrower will maintain the materiel in a serviceable condition and ascertain that it is returned to the LENDER in as good a condition as when it was loaned (fair wear and tear excepted). Equipment will be returned to LENDER IAW -10/20 series TM maintenance standards. Records of maintenance performed will be returned to LENDER with the borrowed equipment.

i. The BORROWER will store, safeguard, and secure high value items, or areas in a manner consistent with common practice, public law, and local regulations.

j. The borrower will prevent misuse of borrowed materiel; or its use by unauthorized persons.

k. The BORROWER agrees to indemnify the LENDER, any agent of the LENDER, and the STATE OF TEXAS in the event of any loss, damage, or destruction of property that results in pecuniary charge against the LENDER, its agent, or the State of Texas imposed pursuant to 32 U.S.C. 710 as implemented by AR/ARNG regulations.

l. Military BORROWERS will perform and pay for costs of maintenance service prescribed in official publications applicable to particular items including any preservation, replacement, and/or repairs incident to the loan.

m. A record of gasoline consumed, oil added, and repairs made, including parts replaced will be furnished to the LENDER upon return of the equipment. The LENDER will ensure that fuel tanks of vehicles and other POL-consuming equipment are full at time of the loan, and the BORROWER will fill fuel tanks at time of return.

n. Equipment log books/forms will remain in custody of the LENDER.

o. Property will remain on the property records of the LENDER supported by a receipt from BORROWER and the original copy of this loan agreement.

p. The BORROWER will provide to LENDER the EMC/MC status of the equipment by the 10th day of the month.

g. The BORROWER will neither make nor permit any modifications, removal or alteration of any borrowed material except with permission of the approving authority for the loan. The BORROWER will not cannibalize the borrowed material. All serial numbered items to include radios must be returned to lender and not substitutions.

f. The BORROWER will not mortgage, pledge, assign, transfer, sublet, or part with possession of any borrowed material in any manner to any third party either directly or indirectly except with the prior written approval of the lender.

e. At all times the lender shall have free access to all loaned material for the purpose of inspecting or inventorying it.

d. The borrower will return borrowed material to a location designated by the lender when the material is no longer needed; upon termination of the loan period (including any approved extension); or upon demand therefore by the LENDER. The LENDER will provide documents to be used by the borrower to return to LENDER.

4. PAYMENT. The BORROWER will reimburse the lender for expenses incurred in connection with this loan as provided below:

a. Cost of pickup and return of borrowed property to include cost of repair parts (65% of the acquisition cost for DX items).

b. Labor to install/repair parts/repair equipment at the standard labor rate published by NGB.

c. Labor required to inspect equipment for issue/turn-in using the average time required for issue and turn-in at the standard labor rate published by NGB.

d. The proper operation and use of property during the period of the loan.

e. Cost of repairs and rehabilitation of property resulting from use by the BORROWER.

f. Replacement in kind and/or reimbursement of loss, damage, and destruction through causes other than fair wear and tear, including prompt investigation of the circumstances of such loss, damage, or destruction when such investigation is requested by the State of Texas.

g. Ensure that the equipment is not used in any way to discriminate based on race, creed, color and taking reasonable measures to make certain said loaned property is not used for other than official approved activities.

h. The BORROWER will reimburse the lender for any expenses necessary to repair, rehabilitate, or preserve the material following its return to the lender. (NOTE: Of any borrowed material, unless depreciation is significant.)

i. The BORROWER will reimburse the LENDER for costs incident to the pay of Army personnel who may be temporarily required to operate, maintain, guard, or otherwise attend to borrowed material. This includes travel and per diem costs for both Army uniformed and civilian personnel, and regular salary and overtime costs for Army civilians.

j. The BORROWER will reimburse the LENDER for any other expense to the lender arising in connection with this loan.

AGREEMENT FOR THE LOAN OF US ARMY MATERIEL

For use of this form, see AR 700-131; the proponent agency is DCSLOG

This loan agreement is entered into, by, and between the United States of America, hereinafter called "the lender," represented by (b) USPFO for Texas

for the purpose of entering into this agreement, and (a) FBI

hereinafter called "the borrower," represented by (c) [REDACTED] (1)

1. PURPOSE. Under the authority of (d) AR 700-131 the lender hereby lends to the borrower and the borrower hereby borrows from the lender the Government materiel, hereinafter called "the materiel," listed and described in Exhibit 1 hereto attached and incorporated by reference into the terms of this agreement, which materiel is required by the borrower for (e) law enforcement activities within the State of Texas

2. TERM. This loan of materiel is intended to meet a temporary need covered by federal law. The borrower will keep the materiel only for the period of (f) 10 MAR 93-31 MAR 93 (21) (not to exceed 90 days). Loans may be renewed, if justified, and requested by the borrower and approved by the lender. Nevertheless, the lender may revoke and terminate this agreement and demand return of the materiel in whole or in part at any time.

3. CONDITIONS. This agreement is predicated upon the following conditions:

a. The LENDER will make every effort to ensure that each item of the materiel is furnished to the BORROWER in a serviceable and usable condition according to its originally intended purpose. However, if the use for which the materiel is loaned will permit, materiel of a lesser condition will be loaned. This lesser condition will be noted on the appropriate loan documents. Nevertheless, the LENDER makes no warranty or guarantee of fitness of any of the materiel for any of the materiel for a particular purpose or use, or warranty of any type whatsoever.

b. This agreement covers only the specific federally owned National Guard property particularly described in Appendix A (description will cover actual condition of property and is as uniquely descriptive terms as possible, such as motor number or model number) attached hereto and made a part thereof.

c. The National Guard assumes no liability for personal injury or property damage resulting from use of property on loan and hereby provides the property "as is" and makes no other warranties as to fitness for particular purpose or otherwise.

d. Property will be inspected jointly by the LENDER and the BORROWER before acceptance by the BORROWER at the time of pickup and before acceptance by the LENDER at the time of return. A description of the actual condition of the property loaned is indicated in Appendix A. However, the property will be available "as is" at TSTC AIRPORT on 10 MAR 93.

e. In event of loss, damage, or destruction [REDACTED] (2) representing the LENDER will be notified immediately by the BORROWER.

1. The required organizational maintenance will be performed before releasing equipment to the BORROWER, if parts are available (see item 3d).
- g. The BORROWER will appoint a representative for the purpose of making joint inspection and inventory of all materiel when the BORROWER physically picks up or returns the borrowed materiel. Upon pickup (or receipt after shipment) of the borrowed materiel, the accounting officer of the borrowing activity (or his authorized representative) will sign the appropriate documents acknowledging receipt and possession of the materiel. Upon return of the materiel to the LENDER, the BORROWER will certify that "the quantities listed in the shipping document (loan) are correct." In instances where BORROWER representatives authorized to receive and sign for borrowed materiel are not available when the materiel is delivered, all claims for costs related to the loan will be valid.
- h. The BORROWER is responsible for care and maintenance of borrowed materiel during the term of the loan. The borrower will provide sufficient personnel and facilities to adequately operate, maintain, protect, and secure the borrowed materiel. The borrower will maintain the materiel in a serviceable condition and ascertain that it is returned to the LENDER in as good a condition as when it was loaned (fair wear and tear excepted). Equipment will be returned to LENDER IAW -10/20 series TM maintenance standards. Records of maintenance performed will be returned to LENDER with the borrowed equipment.
- i. The BORROWER will store, safeguard, and secure high value items, or arms in a manner consistent with common practice, public law, and local regulations.
- j. The borrower will prevent misuse of borrowed materiel; or its use by unauthorized persons.
- k. The BORROWER agrees to indemnify the LENDER, any agent of the LENDER, and the STATE OF TEXAS in the event of any loss, damage, or destruction of property that results in pecuniary charges against the LENDER, its agent, or the State of Texas imposed pursuant to 32 U.S.C. 710 as implemented by AE/ARNG regulations.
- l. Military BORROWERS will perform and pay for costs of maintenance service prescribed in official publications applicable to particular items including any preservation, replacement, and/or repairs incident to the loan.
- m. A record of gasoline consumed, oil added, and repairs made, including parts replaced will be furnished to the LENDER upon return of the equipment. The LENDER will ensure that fuel tanks of vehicles and other POL-consuming equipment are full at time of the loan, and the BORROWER will fill fuel tanks at time of return.
- n. Equipment log books/forms will remain in custody of the LENDER.
- o. Property will remain on the property records of the LENDER supported by a receipt from the BORROWER and the original copy of this loan agreement.
- p. The BORROWER will provide to LENDER the NMC/MC status of the equipment by the 10th day of each month.

7. The BORROWER will neither make nor permit any modification, removal or alteration of any borrowed materiel except with permission of the approving authority for the loan. The BORROWER will not cannibalize the borrowed materiel. All serial numbered items to include radios must be returned to lender and not substitutions.

8. The BORROWER will not mortgage, pledge, assign, transfer, sublet, or part with possession of any borrowed materiel in any manner to any third party either directly or indirectly except with the prior written approval of the lender.

9. At all times the lender shall have free access to all loaned materiel for the purpose of inspecting or inventorying it.

10. The borrower will return borrowed materiel to a location designated by the lender when the materiel is no longer needed; upon termination of the loan period (including any approved extension); or upon demand therefore by the LENDER. The LENDER will provide documents to be used by the borrower to return to LENDER.
