YOUNG AMERICANS IN CONCERT™

Much is being said today about delinquency and rebellion in American youth. Unfortunately, the noble and good often go unnoticed. The program "Young Americans in Concert" was conceived to dramatize to the world the fine quality and high standard of character of American youth, motivate music students and reward them for effort in achieving excellence, and provide an outstanding educational experience for participating students. This is achieved through a rigorous selection procedure which has assembled over 450 of the finest young musicians selected from every state in the Nation. The program is organized into a Band, Orchestra, and Choir and provides the students with the opportunity to perform under the baton of outstanding conductors in an atmosphere of some of the most historic concert halls and shrines of the United States and Europe.

This program is arranged especially for students of outstanding character who have demonstrated exceptional music ability. The program "Young Americans in Concert" sponsored by the Universal Academy For Music, Princeton, New Jersey, is designed to enrich and expand the musical and cultural experience of the students selected for the program. It is also designed to further develop already recognized talents and provide the students with an opportunity to dramatize to the world the fine quality and high character of American youth.

Following their concert at CARNEGIE HALL this company of outstanding American students of music will perform in the Nation's Capitol at Washington, D. C., prior to their scheduled concerts in London's ROYAL ALBERT HALL, Brussels, Paris, Zurich, Innsbruck, Venice, and will conclude with their final concert at the BASILICA of MASSENZIO at the Roman Forum, Rome, Italy.
