1. Purpose: This guide is designed to provide the necessary information and assistance for the application of qualified individuals into the National Guard Warrant Officer Corps.

2. Applicant Sources:

- a. Enlisted Soldiers (Army, National Guard, Army Reserve, and other uniformed services).
- b. Former Commissioned or Warrant Officers.
- c. Commissioned or Warrant Officers of other uniformed services.

MINIMUM ELIGIBILITY REQUIREMENTS

- 1. AGE:** For technical specialties, applicants must be between the ages of 18 and 46 on the date of initial appointment. Applicants for rated aviator positions must be between the ages of 18 to 32 years old at the start of the flight training for Initial Entry Rotary Wing (IERW).
- 2. CITIZENSHIP:** Must be a U.S. citizen by birth or naturalization.
- 3. MENTAL APTITUDE:** Must score a 110 or higher on the GT aptitude test. For rated aviation specialties, applicants must take the Flight Aptitude Selection Test (FAST); minimum passing score is 90. Testing should be coordinated through the State Aviation Office or nearest Army Aviation Support Facility (AASF).
- 4. EDUCATION:** High School Diploma or GED completion.
- 5. ENGLISH LANGUAGE COMPETENCY:** Must have a demonstrated understanding and proficiency in the English language. Applicants whose native language is other than English must achieve a minimum score of 80 on the English Comprehensive Level Test (ECLT). Proficiency in English cannot be overemphasized. Warrant Officers must be able to effectively communicate in both verbal and written methods. Many Warrant Officer Military Occupational Specialties (MOSs) require a minimum of six credit hours of college level English.
- 6. SECURITY CLEARANCE:** A valid final or interim secret security clearance is required prior to entry into Warrant Officer Candidate School (WOCS). Some specialties require a higher than secret level (reference DA Pamphlet 611-21).
- 7. PHYSICAL:** Must meet appointment physical standards in accordance with Chapter 2, AR 40-501 and height and weight standards of AR 600-9. See DA Pamphlet 611-21 for additional physical requirements for individual MOSs. In addition, applicants must be able to pass a standard APFT. Only applicants with an approved Army G-3 Waiver to perform an alternate event may report to WOCS.
- 8. LEADERSHIP:** Must possess outstanding leadership traits.
- 9. PAY GRADE:** With the exception of Aviation Candidates, the minimum required for most specialties is SGT (E5) or having attained the grade established by the Department of Army (DA) MOS proponents. Applicants below the grade of SGT must be administratively appointed to pay grade E5 by parent unit upon entering Warrant Officer Candidate School (WOCS) in accordance with NGR 600-101. Former Commissioned and Warrant Officers are eligible for appointment without attending WOCS but must complete the predetermination process to be approved for entry into a Warrant Officer career.
- 10. SPECIFIC MOS REQUIREMENTS:** Must meet specific MOS requirements posted on www.NATIONALGUARD.com or www.usarec.army.mil/hq/warrant. Former Commissioned or Warrant Officers may also be considered based on their prior service qualifications both as enlisted Soldiers and as Officers.

SELECTION PROCESS

I. INITIAL ENTRY ROTARY WING (IERW) POSITIONS:

- a. Although States and Territories differ on unique application procedures, at a minimum an applicant for IERW training is interviewed by the State Aviation Officer, the AASF Commander and/or the Aviation Unit Commander. This interview process is often referred to as the flight school board. Also, the applicant must:
- (1) Be a current National Guard (ARNG) member in good standing; Warrant Officer Flight Training (WOFT) enlistment option is not authorized in the ARNG.
 - (2) Applicants for rated aviator positions must be between the ages of 18 to 32 years old at the start of the flight training; however, applicants may submit an age waiver request to National Guard Bureau Aviation and Safety Division.
 - (3) Have a minimum score of 90 on the FAST, IAW AR 611-5. See AASF Commander or Staff for coordination of test administration.
 - (4) Successfully pass a Class IA flight physical and meet the medical standards in AR 40-501.
- b. Upon meeting all mental and physical requirements and successfully completing all required interviews, the applicant is then placed on a standing flight school order of merit list (OML). Regardless of the individual's standing on the OML, he or she should be prepared to attend training with short notice. This will allow the person to jump ahead of peers and earn their "wings" much sooner. After OML placement, a mentor should be appointed to prepare the candidate for both WOCS and IERW.

2. TECHNICAL WARRANT OFFICER POSITIONS:

- a. To become a Warrant Officer, a Soldier must be able to fill an existing or projected unit MOS vacancy, in accordance with the current ARNG Over Strength Policy. This step is the same for an enlisted Soldier, former Commissioned or Warrant Officer. This MOS must be one for which the Soldier has an awarded PMOS, SMOS, or applicable Area of Concentration (AOC) listed as a feeder MOS (see www.NATIONALGUARD.com and www.usarec.army.mil/hq/warrant).
- b. If there are no vacancies in the current unit of assignment, qualified Soldiers are encouraged to apply for appointment in another unit where vacancies exist or are projected to occur. Former Warrant Officers should apply for a MOS in which they were previously qualified. Commissioned Officers may apply for the MOS for which they have the best qualifications for, using both commissioned and former enlisted service.
- c. Unit Commanders must conduct interviews with the applicants and, if necessary, conduct a unit review board to determine the best qualified applicants. The individual selected must have demonstrated the ability to understand, convey, and execute orders while serving as a trainer, teacher, counselor, and team leader. The ability to continue to think and make good decisions under pressure is of particular importance. For the sake of the service and the individual, selection should not be just a reward for service in the unit; it should be a careful, well thought out decision.
- d. After the Commander makes his/her selection, an Officer or Warrant Officer mentor should be assigned to assist the candidate in preparing the "Predetermination Packet" covered in the next section.

MOS PREDETERMINATION

- 1. REQUEST:** The first step in the qualification process is the requirement to request approval from the DA MOS proponent for entry into the career field. The process called predetermination is used to qualify all members, whether enlisted, warrant, or commissioned, to serve in a specific Warrant Officer MOS. DA MOS Proponent requirements are listed under Warrant Officer programs at www.NATIONALGUARD.com and www.usarec.army.mil/hq/warrant. This request must be prepared and forwarded through command channels to your State/Territory headquarters, using the checklist located on page C-2 of this guide. Contact the Warrant Officer Recruiter, Officer Personnel Manager, or the Command Chief Warrant Officer, for State/Territory-specific guidelines.
- 2. REVIEWS:** Once the predetermination packet is received, it is reviewed and forwarded through the National Guard Bureau (NGB) to the installation where the DA MOS manager is located. Those states/territories participating in the current Predetermination Test Program review and forward the packets directly to the DA MOS manager. If disapproved, it will be returned through command channels to the requestor for additional documentation. If approved, it will be forwarded from the DA MOS proponent through command channels to the State/Territory headquarters. This process takes between 14 and 120 days, depending on the DA MOS proponent.
- 3. DISPOSITION:** Approved predetermination packets will be transmitted through command channels to the requesting unit for preparation of the Warrant Officer candidate appointment application packet.

WARRANT OFFICER CANDIDATE APPOINTMENT SCREENING AND WOCS ATTENDANCE

I. WARRANT OFFICER CANDIDATE APPOINTMENT SCREENING: Upon notification of favorable predetermination, the applicant must complete an appointment application for consideration by the Federal Recognition Board held at the state/territory headquarters. The Senior Regular Army Advisor conducts the board with selected Commissioned Officers. The board determines applicant eligibility for attendance at the WOCS and Warrant Officer appointment. The WOC appointment application should include the following items:

- a. The approved predetermination package.
- b. NGB Form 62E, Application for Federal Recognition as an ARNG Officer or Warrant Officer and Appointment. The first endorser should be the commander of the unit originally completing the recommendation in Appendix F, with the second endorser as the next higher commander.
- c. Birth certificate.
- d. Statement in lieu of security clearance. The applicant must have a secret security clearance or interim secret clearance. A final or interim secret clearance is required for appointment, unless the MOS proponent specifies a higher clearance for MOSQ.
- e. Copy of a complete physical IAW Chapter 2, AR 40-501, conducted within two years of appointment as a Warrant Officer. Flight physicals require Fort Rucker, Alabama Flight Surgeon approval.
- f. Copy of High School Diploma, equivalent, or college transcript.
- g. Approved predetermination packet from the appropriate DA MOS proponent.
- h. DD Form 214, DD Form 220, or similar documents for prior service.
- i. Copy of Social Security Card.
- j. Statement of understanding if unable to complete 20 years of qualifying service for retirement.
- k. DA Form 705, APFT, within the last 12 months.
- l. Written statement from technicians on compatibility, TPR 300, if applicable.
- m. Aeronautical aviation orders, if applicable.
- n. Statement of military service obligation IAW AR 135-91, if applicable.
- o. Conditional release from another component or state transfer order (if applicable).

WARRANT OFFICER CANDIDATE APPOINTMENT SCREENING AND WOCS ATTENDANCE

- 2. FEDERAL RECOGNITION BOARD REVIEW:** The application packet must be endorsed by the Unit Commander and forwarded through channels to the Officer Personnel Manager (OPM) at the state headquarters. Once the packet has been reviewed, it will be forwarded to the Federal Recognition Board for appropriate action.
- 3. FEDERAL RECOGNITION BOARD RECOMMENDATION:** The board determines if the individual possesses the necessary attributes for appointment as a Warrant Officer. If the board finds the applicant qualified, an order appointing him/her as a WOC is issued and a primary MOS of 09W00 is awarded. If the board does not find the applicant qualified, the application will be returned with any additional requirements noted. Packets may then be resubmitted for consideration once requirements have been met.
- 4. WOCS APPLICATION:** After appointment as a WOC, the unit/command will request a class quota in the WOCS at Ft. Rucker, Alabama, via ATRRS. Each command should then ensure that a mentor, preferably a recent WOCS graduate, helps prepare the candidate. A Pre-WOCS course is offered in both Alabama and Pennsylvania and may be attended at the home state's expense.
- 5. WOCS ATTENDANCE:** Currently, there are three options for the completion of WOCS.
 - a. Attend the Phase One and Phase Two Resident Active Component WOCS (seven weeks, two days) if applicant is an E5 non-graduate from Primary Leadership Development Course (PLDC)/Warrior Leaders Course (WLC) and all E1 thru E4.
 - b. Complete the WOCS Phase One Distributed Learning (DL) and attend the Phase Two Resident Active Component WOCS (five weeks) if the applicant is an E5 and has completed WLC/PLDC and E6 or higher.
 - c. Attend the WOCS-Reserve Component program at the State Regional Training Institute (RTI).

**For more information on the requirements for Warrant Officer Candidate School,
please refer to <http://usawocc.army.mil/woes/wocs.htm>.**

- 6. FORMER WARRANT OFFICERS AND COMMISSIONED OFFICERS:** Applicants in this category must complete a packet using the Predetermination Checklist for the Warrant Officer Program, which may be found on page C-2 of this guide. Former Commissioned and Warrant Officers, once their approved predetermination is received, must prepare an application for appointment, IAW NGR 600-101, and send it through command channels to the OPM or WOSM.

WARRANT OFFICER BASIC COURSE (WOBC)

The final event of becoming a fully qualified Warrant Officer is completion of WOBC or IERW for aviators. The WOBC must be successfully completed within two years of appointment as a Warrant Officer. This may be extended by the National Guard Bureau on a case-by-case basis for one additional year when extenuating circumstances exist beyond an individual's control.

- a. The WOBC trains and certifies newly appointed Warrant Officers to be technically qualified to perform in the assigned MOS. There are three methods for completion of WOBC:
 - (1) Active Component (AC) courses: Varies from 5 to 40 weeks.
 - (2) Reserve Component (RC) Courses: Normally shorter than AC versions to accommodate reserve components. Most RC courses are shorter resident phases, and also include non-resident phases.
 - (3) Some proponent schools allow "testing out" as an alternate means of certifying technical proficiency. Testing out means that the proponent prepares a test covering the required tasks for certification and applicants must pass the entire test to be certified as technically proficient. Testing out is limited to those applicants with an extensive background or education in the MOS.
- b. Attendance at the AC or RC version of WOBC is based on the proponent's determination or other regulatory guidance. If a MOS proponent specifies that the applicant must attend the AC course then the individual must do so in order to be MOS certified.

There will be individuals throughout the process that may be unfamiliar with your MOS, so use easily understood terms. Make it reader-friendly. If using Fort Jackson, SC-specific terms, spell them out and **show the acronym in bold in parentheses**. It is acceptable to use the acronym alone the second time. **Don't overuse bold effect**, it could be a distraction. You can list correspondence courses but not individual subcourses.

MILITARY EXPERIENCE PERTINENT TO MOS 420A: *(List all assignments)*

Concise job description focusing on the unique characteristics of your specific position. List **outstanding achievements** and **additional duties** while in position. Spell out terms that apply to your assignment and then **bold the acronym** for any key terms/buzzwords in your MOS, i.e. Prescribed Load List (**PLL**).

Focus on **measurements of success**. **NOT** just a job description, but how well you did the job. Use NCOER bullets as reference. Mention if you **exceeded standards on a significant inspection/evaluation**. **Bold mobilizations or periods of state active duty**. *(Make a separate assignment entry if mobilized for several months).*

CIVILIAN EXPERIENCE PERTINENT TO MOS 420A: *(If none, then omit this part)*

Jan. 90 - Dec. 90
Secretary
Kelly Temporary Services
Grand Rapids, MI

Use same guidance as above. Explain any relevant experience or training you obtained that pertains to the requested WO MOS. Leave blank if no relevant civilian experience.

SUMMARY

Write a paragraph or two explaining why you are fully qualified to perform the duties of a Warrant Officer in your skill. This is a very important part of the resume. Make this a call to action, but do so without turning off the reader. Include in **bold** type all of your **significant accomplishments/achievements (below-the-zone promotions, impact awards, noteworthy distinctions, deployments, challenging assignments, unique skills in MOS, standards exceeded on a significant inspection/evaluation, etc)** mentioned earlier and explain how you are exceptionally qualified and have the leadership, management and technical skills needed to become a WO. Answer this question: **What have you done or accomplished that sets you apart from your peers?**

SIGNATURE & DATE (Required)

Other notes:

Use plain white paper, black ink and a 12-point standard font such as Arial or Times New Roman. Don't go through a big expense. Prepare the resume yourself, but do a quality job. If you are non-Army, the resume takes on increased importance in conveying your qualifications to become an ARNG Warrant Officer.
