### :05

Don't use your phone while you drive. That means no texting or talking or you *will* get busted. Phone in one hand, ticket in the other.

Cops are cracking down. If you use your cell phone while you drive you *will* get busted. Phone in one hand, ticket in the other.

### :10

If you think cops can't see you on the phone behind the wheel, think again. If you talk or text while driving, you *will* get busted. Phone in one hand, ticket in the other.

Everybody texts or talks on their cell while they drive, right? Well, they're wrong. If you talk or text while driving, you *will* get busted. Phone in one hand, ticket in the other.

### :15

Think it's OK to text or talk on your cell while you drive? No way... No how... No when... Cops are cracking down and giving tickets to anyone using their phone behind the wheel. They can see you and you *will* get busted. Phone in one hand, ticket in the other.

Cops are cracking down on distracted driving. If you're behind the wheel, don't text or talk on the phone. It's not only dangerous, but cops can see you and you *will* get busted – phone in one hand, ticket in the other.
