RE: Amendment to Ho-Chunk Nation Gaming Ordinance

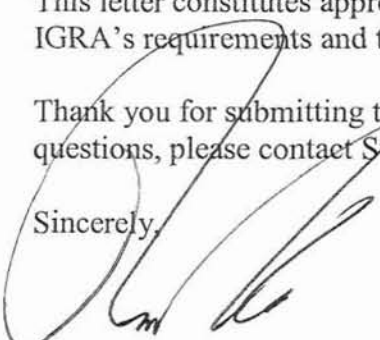

Dear Vice President Brown and Mr. Sussman:

On February 4, 2008, Mr. Sussman on behalf of the Ho-Chunk Nation (Nation) requested that the National Indian Gaming Commission (NIGC) review and approve the Nation's amendment to the Ho-Chunk Nation Gaming Ordinance (gaming ordinance). The Nation amended the gaming ordinance on January 28, 2008, via Resolution No. 1-28-08-D. In this amendment, the Nation clarified the gaming commission's role within the government structure. Further, the Nation amended its definition of Nation's lands to comply with the requirements of the Indian Gaming Regulatory Act (IGRA).

This letter constitutes approval of the amendment because nothing therein conflicts with IGRA's requirements and the Commission's regulations.

Thank you for submitting the amendment for review and approval. If you have any questions, please contact Staff Attorney Rebecca Chapman at (202) 632-7003.

Sincerely,

Philip N. Hogen
Chairman

(1) after the Gaming Commission has informed the supervisor in writing of the violation, the supervisor has failed within a reasonable time to instruct his or her employees, agents, or officers of appropriate action to remedy the violation in the future; or

(2) the violation committed by the supervisor's employees, agents, or officers is so egregious that the supervisor should have known about the violation and taken corrective action.

h. Nothing in this Section will prevent the Commission from attempting to obtain voluntary compliance through warning, conference or any other appropriate means.

i. If the Commission determines to enjoin or prevent a violation pursuant to this Ordinance, the Ho-Chunk Nation Court will be empowered to impose fines or penalties against a licensee. With respect to the fines, the Gaming Commission will develop and make public criteria to determine general categories of licensee violations and a recommended fine to be imposed based on when a licensee is found to have violated that general category.

(b) For the purpose of this Section only, "any matter(s) being considered by the Commission," means those matters identified in the written notice as well as any other matters that are actually considered by the Commission during a hearing. All matters not identified in the written notice that are considered by the Commission during a hearing become subject to the prohibition against ex parte communications as soon as they are discussed during the hearing.

(c) Any member of the Commission, Legislature, or the President who receives an ex parte communication, threat, or offer of reward relative to any matter(s) being considered by the Commission will immediately report such communication in writing to the Attorney General of the Department of Justice. The Commissioner shall not participate in the hearing unless his or her inability to participate would make it impossible for the Commission to obtain a Quorum.

(d) Nothing in this Section will prohibit the applicant or its authorized agent from communicating with the Department of Justice or its authorized agents.

(e) The Commission will have the power to impose any sanction pursuant to this Ordinance upon its determination that an applicant, his or her legal counsel, agent, representative or employee has violated this Section.

(d) An attorney retained to represent an applicant, his or her representative, agent or employee, will file proof of eligibility to practice law in the Ho-Chunk Nation with the Commission prior to the scheduled hearing.

(7) Discovery.

(a) The Department of Justice and the applicant (respondent) will exchange a list of persons that each party intends to call as witnesses no later than seven (7) business days (Monday-Friday) before a scheduled hearing. Each witness will be identified by name, if known, position, and business address. If no business address is available, a home address for the witness will be provided. Any witness not identified in accordance with this Section may be prohibited from testifying at a hearing in the Commission's discretion.

(b) The Department of Justice and the applicant (respondent) will exchange a copy of all documents or tangible evidence that they intend to offer as evidence in support of the party's case in chief. This exchange will be made to the opposing party no later than three (3) business days (Monday-Friday) before a scheduled hearing. Failure to make available any document or tangible evidence in accordance with this Section may, in the Commission's discretion, be grounds to deny the admission of such document or tangible evidence.

(8) Confidential Materials.

(a) Prior to making any documents available to the Department of Justice, the applicant (respondent) may designate any document he or she believes to contain confidential information as "Subject to a Confidentiality Claim" by so marking the document prior to providing a copy of the document to the Department of Justice.

(b) No document provided to the Department of Justice or the Commission, which has been marked in accord with Section 15, subparagraph a (8) (a) above, and no non-public information contained with the document will be made a part of the public record of the Commission proceedings or otherwise disclosed by the Commission to any person other than its authorized agents (or except as may be required under any laws, regulations, court order, or the Compact), without first providing the respondent with the opportunity to seek a ruling by the Commission that the documents and/or non-public information contained therein should not be made public. The request for such a ruling and any discussion relating to the document will be heard and ruled upon by the Commission in an executive session, the hearing session will be adjourned and the Commission will conduct an executive session meeting in order to hear and rule upon the respondent's request. The applicant (respondent) may present to the Commission, in executive session, written and oral arguments regarding the confidentiality claim, along with any facts the applicant (respondent) believes to be relevant to such argument.

(c) When weighing the public's right to be informed of the information before the Gaming Commission, the Commission in executive session will evaluate the evidence present as "Subject to a Confidentiality Claim" as follows:

1 the Commission will balance the applicant's (respondent's) claims of confidentiality against the materiality of the information to the license application or renewal decision;

Ho-Chunk Nation Legislature
Gaming Ordinance
Page 26 of 54

2 the Commission will balance the Ho-Chunk public's right to know the information against the applicant's (respondent's) claim of confidentiality;

3 the Commission will balance its own accountability as a public service regulatory body to create a public record for the licensure against the applicant's (respondent's) claim of confidentiality; and

4 the Commission will consider all facts and circumstances relevant to making a proper ruling, this will include but is not limited to the public's safety, tradition and custom of the Ho-Chunk Nation, the standard evidentiary privileges which includes but is not limited to doctor-patient privilege, clergy privilege, and/or attorney-client privilege.

(d) After considering the record "Subject to a Confidentiality Claim" in executive session and determining that the record will be made a part of the public record of the applicant's (respondent's) application or licensure, renewal proceedings, the Commission will rule in public session on the record as to which documents are "Subject to a Confidentiality Claim."

(e) If the Commission rules against the Confidentiality Claim and the applicant (respondent) continues to contest that the record or document should continue to be "Subject to a Confidentiality Claim," the applicant (respondent) will be permitted to:

1 withdraw his or her license application or licensure application from consideration by the Commission; or

2 withdraw the record or document from the Commission's proceeding.

(f) If the applicant (respondent) selects the option provided in Section 15, subparagraph a (8) (e) 2 above, the Commission when making the licensure decision will weigh the withdrawal of the record or document along with other evidence in making the determination. Withdrawal of the documents from the application process ordinarily will be considered with disfavor and, depending on the facts and circumstances of the public record, the Commission may deem the withdrawal of the record or document to be sufficient cause in and of itself for denial of the license application or licensure renewal.

(g) In the event that the Commission rules during executive session that the document and/or information contained therein should not be made part of the public record, but will be considered in the license application or renewal, the record or document shall be designated "Confidential," sealed, and will not be made part of the public record. The Commission may consider the document and information contained within the confidential record or document, in camera in making its determination.

(h) At the conclusion of the Commission's proceedings, the Commission will

Gaming Ordinance
Page 27 of 54

return to the applicant (respondent) all documents marked as "Subject to a Confidentiality Claim" which were not:

1 made part of the public record; or

2 designated as "Confidential" and considered by the Commission in camera.

(i) The Legislature will apply these principles with respect to:

1 any license application or renewal required to be considered initially by the Legislature, due to the fact that the license applicant is seeking a waiver of any requirements set forth in Section 17, subparagraph c (2) of the Ordinance;

2 any appeal to the Legislature from any denial of a license by the Commission pursuant to Section 17, subparagraph f of the Ordinance.

(9) Subpoenas. The Commission is hereby authorized to issue subpoenas within its jurisdiction of authority when considering license applications or renewals.

(a) Subpoenas may be issued to cause a witness to appear and give oral testimony, or to produce documents or other tangible evidence.

(b) If a party wishes to have a subpoena issued by the Commission within its jurisdiction of authority, a properly prepared subpoena will be furnished by the party, including information necessary for service of process, at least three (3) calendar days prior to the hearing. When service has been completed, the Commission will provide proof of service to all parties.

(c) If a party or Commission wishes to include witnesses who are not within the Commission's jurisdiction of authority, but wishes to personally request the appearance of the intended witness(es) on his or her behalf, the party is required to provide notice of the intended witness(es).

(d) If a party does not timely request a subpoena, the party will not be entitled to a postponement because of the absence of the witness(es).

(e) If the subpoena has been timely issued, the Commission may, in its discretion, postpone the hearing due to the absence of the witness(es).

(10) Postponement. The Commission may postpone a hearing upon the request of a party, upon agreement of all parties, or at the Commission's discretion for good cause, and on such terms as the Commission deems just.

(11) Hearing Procedures.

Gaming Ordinance
Page 28 of 54

(a) The Commission will preside over all hearings, call the proceedings to order, control the presentation of evidence, the appearance of witnesses, and the order of the proceedings.

(b) The Commission has the authority to require any person including, but not limited to, any agent, employee or representative of any person, to appear and testify before the Commission with regard to any matter within the Commission's jurisdiction at such time and place as it may designate. Such testimony will be under oath and may include any matters which the Commission deems relevant to the discharge of the Commission's official duties. Testimony will be recorded by a duly certified court reporter and may be used by the Commission as evidence in any proceeding or matter before the Commission. Failure to appear and testify fully at the time and place designated will result in sanctions. Failure to appear may constitute grounds for:

1 The refusal to grant a license to the person summoned, and/or that person's principal or employer;

2 The suspension or revocation of a license held by the person summoned, and/or that person's principal or employer; or

3 The inference that the testimony of the person summoned would have been adverse to that person and/or that person's principal or employer.

(c) Any party to the hearing may call and examine witnesses. The Commission will exercise its discretion to limit the testimony of witnesses where that testimony is irrelevant, argumentative or repetitive.

(d) Any party to the hearing may conduct cross-examinations reasonably required for a full and true disclosure of the facts.

(e) The Commission may ask questions of witnesses, and may request or allow additional evidence at any time.

(f) Persons will be permitted to speak only when recognized by the Commission.

(g) The Commission will have the authority to eject from the hearings any person who is disruptive, disorderly, or who shows a lack of proper respect for the Commission or the nature of the proceedings.

(i) The Commission, in its discretion, has the power to sequester witnesses.

(12) Evidence.

(a) In hearings governed by the Ordinance, the Commission will not be bound by technical rules relating to evidence and witnesses. The Commission will admit all testimony that tends to prove a relevant issue to the hearing, but will exclude immaterial, irrelevant or unduly repetitious testimony. The Commission will give effect to the rules of privilege unless such privilege is waived. The submission of evidence or taking of testimony shall be controlled by basic principles of relevancy, materiality and whether or not the evidence or testimony relates to a relevant issue of the hearing. Objections to evidentiary offers and offers of proof of evidence not admitted may be made and will be noted.

(b) All evidence, including records and documents in the possession of the Commission or which the Commission desires to avail itself, will be duly offered and made a part of the record in the case. Each party will be afforded and made a part of the record in the case. Each party will be afforded adequate opportunity to rebut or offer countervailing evidence.

(c) A copy of any decision reached pursuant to this Section will be served upon the applicant (respondent) by registered or certified mail, or may be served personally.

(1) Upon the Legislature enacting an Administrative Law Commissioner Establishment Act, all enforcement hearings shall be heard as provided for in the Administrative Law Commissioner Establishment Act.

Ho-Chunk Nation Legislature
Gaming Ordinance
Page 31 of 54

(2) Until the Legislature enacts an Administrative Law Commissioner Establishment Act, all enforcement hearings shall be heard by the Ho-Chunk Nation Trial Court.

(3) In the case of a proposed penalty which does not involve any suspension or revocation of a license, the Commission will:

(a) Notify the licensee by certified mail of the proposed penalty and the basis thereof. Such letter will inform the licensee that the Commission cannot, without the licensee's consent, impose a penalty without a hearing before:

1. The Administrative Law Commissioner, upon the Legislature enacts the Administrative Law Commissioner Establishment Act.

2. The Ho-Chunk Nation Trial Court, if the Legislature has not enacted the Administrative Law Commissioner Establishment Act; and

(b) Allow the licensee the option of paying the penalty without a hearing or contesting the basis for imposing the penalty. The licensee will have seven (7) days to state whether or not he or she is willing to pay the penalty without a hearing.

(4) Nothing in this Section will limit the Commission's authority to suspend a license summarily without a hearing pursuant to this Ordinance, but only upon a determination by the Commission that the licensee has intentionally defrauded a patron and/or the Nation through the licensee's actions.

(5) The burden of proving fitness and suitability for a license will be on the licensee.

(6) If a person or entity is charged with violation of this Ordinance, a license condition, the Compact, the IGRA or any other applicable laws, regulations or agreements concerning the regulation of gaming including, but not limited to, any agreement relating to gaming with the Ho-Chunk Nation, the Department of Justice Attorney acting as attorney for the Commission will carry an initial burden of establishing sufficient evidence to raise a presumption that there was a violation unless this evidence is later rebutted (prima facie case). If the Administrative Law Commissioner, if applicable, or the Ho-Chunk Nation Trial Court finds that there is sufficient proof to prove the case unless contrary evidence is provided (a prima facie case has been established), the burden to rebut the charge will shift to the person or entity.

(7) Notice of Hearing.

(a) An enforcement action begins by the Department of Justice filing a Complaint with the Administrative Law Commissioner, if applicable, or the Ho-Chunk Nation Trial Court. If Section 16, subparagraph a (2) (b) is applicable to the enforcement action, the Complaint may only be filed after the seven (7) days provided for in that

Ho-Chunk Nation Legislature
Gaming Ordinance
Page 32 of 54

Section. The Complaint will contain short, plain statements of the alleged violations by the licensee, the facts and circumstances giving rise to the action, and a demand for any enforcement action to be imposed. The Complaint must contain the full names and addresses of all parties and any counsel, as well as a telephone number at which the complainant may be contacted. The Complaint shall be signed by the Department of Justice attorney.

(b) Unless the Administrative Law Enforcement Act provides otherwise, all enforcement actions shall be conducted pursuant to the Ho-Chunk Nation Rules of Civil Procedure.

(8) Decision.

(a) Until the Legislature enacts an Administrative Law Commissioner Establishment Act, the Ho-Chunk Nation Trial Court shall issue a written decision within sixty (60) days of the filing of the complaint, unless the licensee seeks an extension of time that delays the hearing process.

(b) Upon the Legislature enacting an Administrative Law Commissioner Establishment Act:

1. The Administrative Law Commissioner shall issue a written decision within sixty (60) days of the filing of the complaint, unless the licensee seeks an extension of time that delays the hearing process.

2. If pursuant to the Administrative Commission Establishment Act there is an appeal, the Trial Court shall issue a decision within thirty (30) days of the appeal being filed with the Trial Court.

17. Licensing.

a. Licensing Requirements. Licenses issued hereunder will be issued according to requirements that are as stringent as those set forth in regulations promulgated by the NIGC in 25 C.F.R. parts 556 and 558, including any amendments thereto; and also, in the case of Class III gaming, according to requirements that are as stringent as those set forth in the Compact.

b. License Required.

Page 33 of 54

(c) Key employees; and

(d) Any other employee or class of employees as determined by the Legislature.

(2) Vendor. In accordance with Section 18 of this Ordinance, all vendors (gaming and non-gaming) will be subject to licensing by the Commission as a condition to conducting business with the Ho-Chunk Nation's gaming operations.

(3) Facilities. The Nation will issue a separate license to each place, facility, or location on the Nation's lands where gaming is conducted under this Ordinance.

(4) Any individual Class II gaming license issued by the Nation will be valid for any Class II gaming facility located on the Nation's lands; and any individual Class III gaming license issued by the Nation will be valid for any Class III gaming facility located on the Nation's lands.

(5) The licensing requirements under this Ordinance are in addition to any state certificates required under the Compact.

c. Licensing Standards.

(1) No license will be issued except upon a sworn application filed with the Commission, in such form as may be prescribed by the Commission, containing a full and complete showing, at a minimum, of the following:

(a) Satisfactory proof that the applicant is of good character and reputation, and is financially responsible.

(b) A description of the premises at which the games are to be conducted, with proof of the contractual or other basis upon which the applicant will conduct the games, or be employed, at such premises.

(c) The applicant has fulfilled any applicable requirements of IGRA and the Compact.

(d) Agreement by the applicant to accept and abide by all conditions of the license as provided in this Ordinance.

(2) No person will be employed in the operation or conduct of gaming nor will the Nation permit a gaming-related contractor to employ any person in the course of performance under the contract, if that person has been convicted of, or entered a plea of guilty or no contest to, any of the following offenses, unless the person has been pardoned:

Ho-Chunk Nation Legislature
Gaming Ordinance
Page 34 of 54

- (a) Any felony conviction within the ten (10) years prior to the application;
- (b) Any conviction for any gaming-related offenses;

(3) No person will be employed in the operation or conduct of gaming, and the Nation will not permit a gaming-related contractor to employ any person in the course of performance under the contract, if that person has been determined by the Legislature or the Commission to be a person whose prior activities, criminal record, if any, or reputation, habits or associations pose a threat to the public interest or to the effective regulation and control of gaming, or create or enhance the dangers of unsuitable, unfair, or illegal practices, methods, or activities in the operation of gaming or the carrying on of the business and financial arrangements incidental thereto. The alleged violation of the laws of general application of the federal, state, or Nation not principally enacted to regulate gaming, such as the Nation's *Employee Relations Act* (6 HCC § 5) and the Nation's *Appropriations and Budget Process Act* (2 HCC § 4) will not be the basis of non-suitability unless such conduct is part of a pattern of consistent intentional disregard for the laws of the Federal, State or Nation. For purposes of the preceding sentence a person shows a pattern of consistent intentional disregard for the laws of the federal, state, or Nation when the person knows or should know of his or her obligation and chooses to consistently ignore such obligation.

(4) Legislative Waiver. Except in the case of owners or controlling persons or persons designated in any management contract as having management responsibility of all or any part of any gaming operations, the Legislature may in its discretion, waive by legislative resolution any requirements set forth in Section 17, subparagraph c (2) for any applicant when the applicant has demonstrated on the record before the Commission evidence of sufficient rehabilitation and present fitness to hold a license. A recommendation to grant a waiver will be submitted by the Commission to the Legislature for their consideration and final decision. The applicant, with or without legal representation, will have the right to be in attendance and to participate on his or her behalf. Decisions of the Legislature to grant or to deny a waiver under this subparagraph cannot be appealed to the Trial Court.

(5) The issuance of licenses hereunder also will be subject to the provisions of Section 19 regarding background investigations.

(6) The following notices will be placed on the application form for a key employee or a primary management official before that form is filled out by an applicant:

The purpose of the requested information is to determine the eligibility of individuals to be employed in a gaming operation. The information will be used by the National Indian Gaming Commission members and staff who have need for the information in the performance of their official duties. The information may be disclosed to appropriate federal, tribal, state, local, or foreign law enforcement and regulatory agencies when relevant to civil, criminal or regulatory investigations or prosecutions or when pursuant to a requirement by a tribe or the National Indian Gaming Commission in connection with the hiring or firing of an employee, the issuance or revocation of a gaming license, or investigations of activities while associated with a tribe or gaming operation. Failure to consent to the disclosures indicated in this notice will result in a tribe's being unable to hire you in a primary management official or key employee position.

(b) Disclosure of Social Security Number. The disclosure of your Social Security Number (SSN) is voluntary. However, failure to supply a SSN may result in errors in processing your application. The Commission will keep your SSN private and not reveal your SSN on any documents that are public or are part of a public record, unless ordered by a Court or federal agency.

(c) Notice Regarding False Statements. A false statement on any part of your application may be grounds for not hiring an individual, or for firing an individual after he or she begins work. Also you may be punished by fine or imprisonment as provided in U.S. Code, Title 18, Sec. 1001.

(7) No license will be issued to, or held by, a person who has been determined by the Commission or Legislature to have knowingly and willfully provided materially important false information to the Gaming Commission, or has refused to respond to questions offered pursuant to the licensing and background requirements established by or required by this Ordinance, the Compact, or the NIGC, 25 C.F.R. parts 556 and 558.

d. Procedures. All applications will be considered by the Commission in accordance with this Ordinance.

e. Authority to Grant or Deny an Application for Gaming License.

(1) The Commission will grant or deny all applications for a license, except that the Commission will deny an application for a license where the applicant does not meet the restrictions under Section 17, subparagraph c (2), in which case, in the discretion of the applicant, the applicant may proceed to make a record of findings by the Commission as to the applicant's sufficient rehabilitation and present fitness to hold a license.

(2) Any license will be effective upon the date the Commission grants it. This license will be provisional as set forth in Section 17, subparagraph g pending the satisfactory completion of all background investigations and pending expiration of the

Gaming Ordinance

thirty (30) day period for review by the NIGC provided for in regulations promulgated by the NIGC in 25 C.F.R. part 558, including any amendments thereto; provided, however, that the Commission must provide written notice to the Legislature of the granting of any licenses, and the Legislature will have the power to overturn the granting of any license on its own motion at any time provided the Legislature has conducted a hearing consistent with the provisions established in Section 12. If overturned by the Legislature, a license issued by the Commission will have no force or effect. Any such denial may be appealed to the Trial Court.

f. Appeal of Denial of License. An applicant may appeal any denial of a license as provided for in Section 12 of this Ordinance, except that a denial of a license in accordance with Section 17, subparagraph c (2) will be appealed in accordance with Section 17, subparagraph c (4) only.

g. Effectiveness of License. Any license granted hereunder will be effective on a provisional basis pending the satisfactory completion of all background investigations required under this Ordinance, the IGRA, the Compact, or any agreement to which the Nation is a party, and pending expiration of the thirty (30) day period for review by the NIGC provided for in regulations promulgated by the NIGC in 25 C.F.R., part 558, including any amendments thereto, if applicable. Upon the satisfactory completion of all required background investigations and such review by the NIGC, such license will continue to be effective until it expires. If background investigations or NIGC review are not satisfactorily completed a provisional license will have no further force or effect.

h. Term of License; License Condition; and License Fees.

(1) Licenses will be for a term of two (2) years, and will expire on the anniversary of the date that the license is granted.

(2) Every licensee has the responsibility to assure that there exists a continuous disclosure of facts and information relating to his or her suitability to hold a gaming license. Failure to disclose pertinent information as to suitability on a continuing basis, pursuant to Section 17, subparagraph c (2) and/or Section 20 in its entirety will be cause for penalties imposed, up to and including suspension or revocation of a gaming license. Licensees shall submit these facts and information as to suitability within thirty (30) calendar days.

(3) In order to recover the costs to the Nation of complying with the tribal, state, and federal regulations, license fees will be imposed as follows:

(2) Individual or Entity. Persons and entities licensed by the Commission will not purposefully disregard such conditions of the license as the Commission, in its reasonable discretion, may require. (b) The person was informed in writing by the Commission or his or her supervisor that the action was a violation of the conditions of his or her license; or

j. Required Notifications. The Commission will promptly notify the NIGC or other appropriate federal regulatory body of the issuance or denial of licenses, as required under IGRA and applicable regulations of the NIGC.

k. Suspension or Revocation. The licensee will be legally responsible for any intentional violation of the Ordinance or the license provisions. Gaming Ordinance
Page 38 of 54

(1) Suspensions. A license may be summarily suspended for up to thirty (30) days without prior hearing for good cause by a majority vote of the Commission. For purposes of the preceding sentence the Commission may only find good cause to suspend a license if the licensee has intentionally defrauded the Nation through his or her actions. Yet, if the IGRA requires a license to be suspended, it shall be suspended if a revocation hearing arises as a result of the Commission receiving a notice from the NIGC. The licensee will not participate in, or conduct any gaming-related activity during the period of suspension. There will be no right of appeal of any suspension decision.

(2) Revocation and Appeals. All decisions of the Court regarding revocation of licenses will be final, except that a license revoked by the Commission pursuant to an objection itemized by the NIGC as provided in Section 19, subparagraph f may not be appealed. Any person who or entity that is required to apply for a waiver under Section 17, subparagraph c (2) is not eligible for a provisional license or employment in a Nation's gaming operation unless the Legislature grants a waiver. Preliminary Employment may begin prior to issuance of a license. Preliminary employment must be terminated upon the occurrence of any of the following:

(1) Denial of a license by the Commission or the Legislature;

(2) Unsatisfactory completion of background investigations or NIGC review resulting in nullification of provisional license, as described in Section 17, subparagraph g; or

(3) To the extent required under regulations promulgated by the NIGC in 25 C.F.R., part 558, including any amendments thereto, if at the end of ninety (90) days after the starting date of provisional employment no license has been issued hereunder, or if a licensed issued hereunder remains effective only on a provisional basis, as provided in Section 17, subparagraph g.

n. All provisions and preconditions for the issuance of a license persist as ongoing requirements for existing license holders. This will mean that any discovery of events or conditions that might be cause for the denial of a license, upon discovery, may be grounds for suspension, revocation, or other appropriate sanction as deemed reasonable and necessary by the Commission.

At the end of the Nation's fiscal year, the amount of the fee will be adjusted based on the actual gross dollar amount of business conducted by the classified gaming vendor.

Such investigations will be conducted according to requirements that are as stringent as those set forth in regulations promulgated by the NIGC in 25 C.F.R. parts 556 and 558, including any amendment thereto, and as set forth in the Compact, and as provided in Section 19, subparagraph c, below.
