Dear Chairperson Bear:

This letter responds to your request to review and approve the amendment to the Kickapoo Tribe in Kansas' tribal gaming ordinance submitted on January 17, 1997. The amendment was adopted by Resolution No. KT97-13 on January 15, 1997. The ordinance was approved by the Chairman of the National Indian Gaming Commission (NIGC) on July 15, 1994. The amendment does not require approval by the NIGC because the amendment addresses issues not raised in the IGRA or the NIGC's regulations.

Under the IGRA and the regulations of the NIGC, the Chairman is directed to review ordinances and amendments with respect to the requirements of the IGRA and the implementing regulations. Thus, the scope of the Chairman's review and approval is limited to the requirements of the IGRA and the NIGC regulations. Provisions other than those required under the IGRA or the NIGC regulations that may be included in a tribal ordinance are not subject to review and approval.

Thank you for submitting the Kickapoo tribe in Kansas' amendment for review. If you have questions or require further assistance, please contact Jessica Roff at (202) 632-7003.

Sincerely yours,

A handwritten signature in cursive script that reads "Ada E. Deer".
