Re: Morongo Band of Mission Indians Gaming Ordinance Amendment

Dear Chairman Martin:

This letter responds to your request to the National Indian Gaming Commission (NIGC) to review and approve an amendment to the Morongo Band of Mission Indians (Tribe) Tribal Gaming Ordinance (Amendment). The Amendment was adopted by the Tribal Council Resolution No. 041510-02 on April 15, 2010, and submitted to the NIGC on April 20, 2010.

This letter constitutes approval of the Amendment to the tribal gaming ordinance. Thank you for submitting the Amendment for my review and approval. The NIGC staff and I look forward to working with you and the Tribe on future gaming issues. If you have any questions or require assistance, please do not hesitate to contact John Hay, Senior Attorney, at 202-632-7003.

Sincerely,
