Re: San Manuel Band of Mission Indians, approval of San Manuel Gaming Act of 1989, as amended.

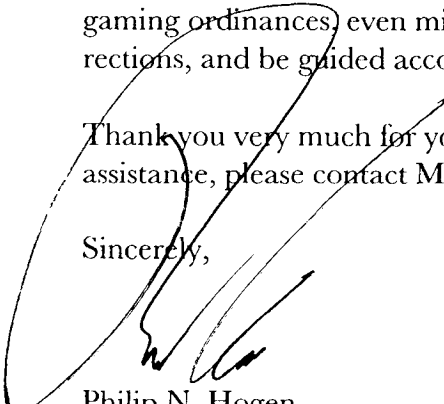

Dear Ms. Prevost:

This is in response to your August 3, 2004, letter seeking review and approval of the San Manuel Gaming Act of 1989, as amended in April 2004. The Act is consistent with the requirements of the Indian Gaming Regulatory Act and this agency's regulations. It is therefore approved for gaming on Indian lands, as defined by IGRA, over which the Tribe has jurisdiction.

I note that the Tribe did not submit some of its prior amendments for review and approval. Please be aware that IGRA requires NIGC approval of all amendments to tribal gaming ordinances, even minor ones such as revisions in numbering or grammatical corrections, and be guided accordingly.

Thank you very much for your submission. If you have any questions or require further assistance, please contact Michael Gross, Staff Attorney, at 202-632-7003.

Sincerely,

Philip N. Hogen  
Chairman

## CHAPTER 6. THE SAN MANUEL GAMING ACT OF 1989.<sup>1</sup>

### SMTC 6.1 Title.

This Chapter shall be known as the "SAN MANUEL GAMING ACT OF 1989, as amended."

### SMTC 6.2 Findings and Policy.

This Ordinance is adopted by the General Council of the San Manuel Band of Mission Indians ("Tribe"), a federally recognized Indian Tribe, pursuant to its authority under the Tribal Articles of Association; for the purpose of establishing the terms for gaming on Tribal Lands for Tribal governmental and charitable purposes, and to continue to develop and operate such gaming consistent with the findings herein and in conformity with the federal Indian Gaming Regulatory Act (25 U.S.C. § 2701 *et seq.* ("IGRA")), and regulations promulgated thereunder, and the Tribal-State Gaming Compact with the State of California ("Compact"). This Gaming Act and regulations promulgated hereunder shall constitute gaming regulations for the Tribe. Based on its experience and observations in connection with such gaming and its studies of similar experiences by other Indian tribes, the Tribe finds that tribally controlled gaming on its reservation is a valuable means of promoting Tribal economic development, self-sufficiency, employment, job training and strong Tribal government. The Tribe further finds that when regulated by the Tribe, such gaming can remain free from organized crime and other corrupting influences and can be conducted fairly and honestly by both the operators and the players.

The General Council finds that:

6.2.1 Gaming on its Tribal Lands is a valuable means of generating revenues needed to promote Tribal self-sufficiency, economic development, employment, job training, and a strong Tribal government, and to fund and ensure essential social programs and services;

6.2.2 The Tribe desires to conduct certain forms of gaming to provide needed revenues to the Tribe and to regulate and control such gaming in a manner that will protect the environment; the Tribal Lands; the health, security and general welfare of the Tribe; the patrons; and the community; and

6.2.3 The Tribe desires to manage and regulate such gaming as authorized under this Ordinance in a manner that will adequately address the interests and needs of the Tribe.

6.5.1 The Tribe hereby establishes the San Manuel Gaming Commission to be composed of no more than three (3) commissioners. One Commissioner shall be a member of the San Manuel General Council and two Commissioners shall be non-Tribal members. One Commissioner or, in the alternative, a member of the San Manuel Gaming Commission staff, shall be designated as Secretary/Treasurer to the Commission. All Tribal Commissioners shall

be elected and removed by the General Council, using the same process applicable to the election or removal of Tribal officers. All Commissioner positions shall be considered to be full-time positions. Commissioners shall serve for three (3) year terms, which shall be determined from the date of election, and may serve for more than one term if re-elected, and shall serve past the expiration of any term until replaced or removed. Gaming Commissioners may only be removed by the Tribe for neglect of duty, malfeasance, or other good cause shown. Removal for cause shall only be under procedures applicable to removal of an elected Tribal official. ✓

A Commissioner may not be an elected official of the Tribe, or employed in any Gaming Enterprise, or by the Tribe in any other capacity while serving as a Gaming Commissioner. Gaming Commissioners and Commission staff shall be precluded from consulting or employment in any position with the Tribe's gaming activities, including bingo or casino gaming, for a period of no less than two (2) years from their date of termination at the Commission.

6.5.2 Background investigations of Gaming Commissioners shall be conducted by an independent investigator under the direction of the Tribe's attorney. The attorney shall keep the details of the investigation confidential, but the attorney may confer with the investigator or any other person experienced in conducting or evaluating background investigations provided such other person agrees to maintain the confidentiality of the information obtained about the applicant. Gaming Commissioners must meet the qualifications established under this Gaming Act and the Compact. Gaming Commissioners must meet or exceed the standards of suitability as established for Gaming Commission employees, including a review of financial, criminal, and employment history, contact with references, and all other suitability requirements for certification or licensing by the State or the Tribal Gaming Commission. The attorney shall make a determination as to whether this Ordinance's requirements for suitability have been met, and if so shall certify that finding in writing to the Business Committee. In the event the attorney determines there is any reason to believe the applicant may not meet the suitability standards under this Gaming Act, the attorney shall so inform the applicant of that determination on a confidential basis. The applicant shall have three (3) business days in which to respond, by providing additional information or other reasons why the applicant should be deemed suitable. If the attorney still believes the applicant is unsuitable, the attorney shall so notify the applicant in writing, who shall have three (3) business days in which to either withdraw from the Gaming Commission (in which case the file shall be sealed) or request that the application be reviewed by the Business Committee of the Tribe. In the event of such review, only those items which the attorney believed rendered the applicant unsuitable shall be revealed to the Business Committee by the attorney. The applicant can request any additional information obtained by the attorney to be submitted to the Business Committee, and may provide such further information as the Business Committee shall permit. Within ten (10) days after closing its own review and investigation of such applicant, the Business Committee shall render a final decision as to the applicant's suitability. In the event of issuance of a finding of suitability, the Gaming Commission shall issue a Class A license to the applicant. Appeals from the Business Committee decision shall follow the same procedures as appeals from other license denials.

6.5.3 Commissioners may only be removed from office before the expiration of their term by the General Council, for neglect of duty, malfeasance or other good cause shown. Good

cause shall include repeated (at least three or more) failures to attend required Gaming Commission meetings.

6.5.4 Two (2) members of the Gaming Commission shall constitute a quorum for the purpose of conducting Commission business, provided that nothing herein shall preclude the Chairman of the Commission from conducting Commission business if notice of the meeting has been provided in a timely manner reasonably calculated to provide proper notice to all commissioners, and no commissioner has objected to the meeting. If any commissioner has a conflict of interest in investigating, hearing or deciding a matter to come before the Gaming Commission, such as matters involving a member of the commissioner's household or immediate family (parent, sibling, child, or spouse), that commissioner shall recuse himself or herself for that matter. When only the commissioner with a possible conflict is available to sit on the matter before the Commission, that commissioner shall recuse himself or herself and request the Tribe's Business Committee to serve as the Gaming Commission only for the purposes of that matter; with the exception of licensing matters, in which case the investigation shall be conducted under the direction of the Tribe's attorney through the process established in 6.5.2 of this Act. All such matters shall be handled fairly and impartially.

6.5.5 The Chairperson shall preside over meetings of the Gaming Commission. The Secretary/Treasurer shall be responsible for the receipt and disbursement of Gaming Commission funds in accordance with Tribal governmental agency policies and the Commission budget. Checks drawn on Gaming Commission accounts shall be signed by the Chairman and the Secretary/Treasurer. 6.5.6 Voting. All actions of the Gaming Commission shall be taken by majority vote of Commissioners present. The Commission Chairperson may vote on any issue.

6.5.7 Subject to a budget to be approved on an annual basis by the General Council, commissioners shall be reimbursed for time and expenses incurred in connection with the performance of their duties as Commissioners and in accordance with the budget. Any commissioner employed on a full-time basis shall agree to be employed in accordance and consistent with policies set for other Tribal government employees, and shall be eligible for the same fringe benefits as such other full-time Tribal government employees, and to strictly abide by Commission oaths of confidentiality and professionalism in the discharge of their duties. The salaries for Commissioners shall be approved as part of the annual Budget to be approved by the General Council. Policies with respect to reimbursement of expenses shall be the same as those applicable to other Tribal government employees.

6.5.8 Meetings. Meetings of the Gaming Commission shall be held at least every other month ("Scheduled Meetings"). Any Tribal member may attend Scheduled Meetings. Scheduled Meetings may be changed at any time by the Gaming Commission, with notice of such change posted prominently at least five (5) business days in advance at the Office of the Gaming Commission. Additional meetings shall be held as called by the Chairman or by at least two (2) Gaming Commissioners. Notice of such additional meetings shall be given in writing to

each Gaming Commissioner, served by first class mail or personal delivery at least five (5) business days prior to such meeting. Meetings may be called at any time, by any means, with unanimous consent of the Gaming Commissioners. All Commission discussions, deliberations, and votes taken regarding specific license applications and related background investigations, or any other investigations, and any other matter the Commission deems must be kept confidential in order to preserve the integrity of the Gaming Enterprise or Tribe or to protect the privacy of the applicant, shall be held in executive session.

6.5.9 The Commission shall be deemed to be an agency of the Tribal government and as such shall be subject to the personnel and other governmental administrative policies of the Tribal government, as the General Council shall determine from time to time. In the absence of specific personnel policies, those affecting management level employees of the Gaming Enterprise shall be applied to the operation of the Commission. Any exceptions to such policies must be approved by the Tribe's Business Committee. The Commission shall be funded through an annual appropriation by the General Council and such additional funding actions as the General Council shall deem necessary. The Commission shall prepare and propose a budget sixty (60) days before the end of each Tribal fiscal year after meeting and conferring with the Business Committee regarding such budget, which shall be submitted to the General Council promptly thereafter for approval or modification. Within five (5) days after approval of the budget, funds from the Tribe's treasury shall be appropriated and transferred to the Commission's bank account, except that at any time the General Council may prescribe other schedules for disbursing such funds. The Commission shall maintain its accounts, books and records, including records of all income and expenditures, in accordance with generally accepted accounting principles and consistent with Tribal governmental policies regarding management of funds and records. A financial report shall be rendered by the Commission to the General Council at least quarterly. All expenditures shall stay within ten percent (10%) of the approved budget.

6.5.10 Notwithstanding the fact that the Commission is a Tribal governmental agency and is accountable to the Business Committee, on behalf of the General Council, for its administration, the decisions of the Commission regarding licensing, suitability and compliance with Applicable Law shall be within the exclusive province of the Commission, except that the Business Committee may review any allegation that the Commission has exceeded its authority under this Act and if it deems the allegation to be true, shall refer the allegation to the General Council for action, which may include removal of a Commissioner for cause.

Each gaming related contract for supplies, services, or concessions that results in purchases of more than \$25,000 annually (except contracts for professional legal or accounting services) relating to Class II or Class III gaming on the Tribal Lands shall be included in the independent audits. At least three (3) bids shall be required before any contract for goods or services in connection with any Gaming Activity for an amount in excess of \$5,000 or to be performed over a period of more than twenty (20) days may be executed. The General Council may waive the requirement of three (3) bids upon good cause shown. All proposals for bids as well as all bids received shall may be reviewed at the discretion of the Gaming Commission. The Gaming Commission shall receive a copy of all Gaming-Related Contracts for an amount in excess of \$10,000 for filing and possible review. To the extent possible, the Tribe will approve the lowest responsive and qualified bid. ✓

6.11.3 Reporting Audit Results. The Tribe shall make available the results of each annual audit to the Tribe's General Council within thirty (30) days of completion of the audit. The Tribe shall provide audit results to the NIGC to the extent required and as otherwise required under applicable law. ✓

### **SMTC 6.12 Licenses.**

6.12.1 The Tribe's Gaming Licensing procedure shall be administered through the Gaming Commission. The program shall be an investigative licensing process under which all applicants for Class II and Class III gaming licenses are evaluated against the standards set forth in, and subject to, the following applicable laws:

6.12.1.1 San Manuel Gaming Act of 1989, as amended, and any gaming regulations promulgated thereunder;

6.12.1.2 The IGRA and NIGC regulations;

6.12.1.3 Compact requirements, to the extent applicable; and

6.12.1.4 Any other applicable tribal, federal, or state laws.

6.12.2 Licensing Policy and Requirements. It is the policy of the Tribe that all Gaming Activities be licensed and controlled so as to protect the morals, good order and welfare of tribal members and other persons on Tribal Lands, and to preserve the honesty, fairness and integrity

of such Gaming Activities. Accordingly, no person shall engage in any Class II or Class III Gaming Activities on Tribal Lands without a valid license issued by the Gaming Commission.

A labor union seeking to represent any Gaming Employees must also be deemed suitable under standards and licensing requirements established by the Gaming Commission. Class III Gaming Employees, Gaming Resource Suppliers, gaming management and investors may further be subject to State Gaming Agency investigation and suitability requirements, including issuance of a license or certification of suitability, under the Compact. Licenses shall be issued to persons or entities associated with gaming activities, and the Gaming Commission reserves the right to require drug and/or alcohol testing for any license applicant or licensees at any time. Applicants who are denied a license must wait two (2) years prior to re-applying for a gaming license.

Gaming Resource Suppliers and other vendors providing gaming related goods or services must qualify for and receive a license in order to do business with the gaming operation. Vendors providing other goods or services, and those providing gaming related goods or services valued at less than \$25,000 in a 12-month period, may also be required to obtain a license from the Gaming Commission prior to doing business with the Tribe's Gaming Operation.

Any gaming license or finding of suitability issued by the Gaming Commission shall be deemed a privilege, and is subject to suspension or revocation at any time. No license or license renewal shall be issued that would place the Tribe in violation of tribal law, the Compact, or any other applicable law. A gaming license or finding of suitability is subject to renewal at least every two (2) years.

6.12.3 Burden on Applicant. The burden of proving an applicant's qualifications to receive a license hereunder is at all times on the applicant. Applicants must accept any risk of adverse public notice, embarrassment or other action that may result from the application process and expressly waive any claim for damages as a result thereof.

6.12.4 Applicant Claim of Privilege. An applicant may claim any privilege afforded by law in connection with a gaming license application or investigation, but a claim of privilege with respect to any testimony or evidence pertaining thereto may constitute sufficient grounds for denial, suspension or revocation.

6.12.5 Release of Information. Persons applying for a license shall agree to release all information necessary in order for the Gaming Commission and any applicable federal or state entity to complete their suitability determination. Applicants must update all such information promptly on an on-going basis, and to furnish such information as may be required by the State Gaming Agency, or such other governmental agency as may be required by law.

#### 6.12.6 Types of Licenses.

6.12.6.1 Class A License. Before permitting any person to become associated with any Gaming Activity as an investor or other person owning or controlling 10% or more interest in any management entity, or any primary management official, key employee, a gaming related position designated by the Gaming Commission as requiring a Class A license, closely associated independent contractor, or other individual or entity

with influence over the management or operation of the gaming, or a Gaming Employee, such person shall obtain a Class A license. The Gaming Commission shall conduct or cause to be conducted a background investigation to determine if such person has:

6.12.6.1.1 Any criminal record or any reputation, prior activities, habits or associations which might pose a threat to the public interest or to the effective regulation of gaming.

6.12.6.1.2 Anything else in his/her background that might create or enhance the dangers of unsuitable, unfair, or illegal practices, methods and activities in the conduct of gaming.

Those who at any time do not meet the above qualifications shall be denied a Class A license, or in the case of existing licenses, the license may be revoked.

6.12.6.2 Class B License. Persons who are not among those identified in subsection (1) above, but are to be employed at a gaming facility on Tribal Lands in another capacity, such as in non-gaming related activities, shall be required to obtain no less than a Class B or Class C license from the Gaming Commission. Such persons must establish that they have not been convicted of certain crimes or engaged in any activity which the Gaming Commission in its sole discretion deems to render such person a danger to the safety or integrity of the Gaming Activities, or to the safety and security of the Tribe, property of the Tribe, any tribal member, any gaming employee or patron, or the public.

6.12.6.3 Class C License. Minors employed in non-gaming activities at the Reservation may be issued a Class C license, provided that such minors are not deemed by the Gaming Commission to pose any threat to the safety or integrity of Gaming Activities or the safety or property of the Tribe, any Tribal member, any gaming employee or patron, or the public. Such license shall be valid for no more than two (2) years. Minors shall not be employed as dealers or otherwise to operate or supervise the Gaming Activities, or to serve liquor.

6.12.6.3 Gaming Resource Supplier. Gaming Resource Suppliers must meet all tribal and state licensing and suitability requirements. Any Gaming Resource Supplier who, directly or indirectly, provides, has provided, or is deemed likely to provide at least twenty-five thousand (\$25,000) in Gaming Resources in any 12-month period, or who has received at least twenty-five thousand dollars (\$25,000) in any consecutive 12-month period within the 24-month period immediately preceding application, shall be licensed by the Gaming Commission prior to the sale, lease, or distribution, or further sale, lease, or distribution, of any such Gaming Resources to or in connection with the Tribe's Gaming Operation or Facility. The Gaming Resource Supplier license must be renewed at least every two (2) years. The Tribe shall not enter into any contract or agreement that would require licensing if the Gaming Resource Supplier has been denied a license or is deemed unsuitable, or the license or suitability determination has expired without renewal.

6.12.6.4 Union License. Any labor union, including its management and representatives, shall be required to apply for and be deemed suitable to obtain a license in order to represent gaming operation employees.

6.12.6.5 Vendor License. Vendors who are deemed not to be Gaming Resource Suppliers or who provide only non-gaming related goods or services to the Tribal Gaming Operation shall, at minimum, complete a short form application and qualify for a vendor license issued by the Gaming Commission. Such license must be renewed at least every two (2) years and the Gaming Commission may require additional information or licensing at any time.

6.12.6.6 Temporary or Provisional Licenses. Pending completion of an investigation for a license, the Gaming Commission may issue a temporary or provisional license of no more than ninety (90) days duration if, in its sole discretion, it deems such issuance appropriate, and may grant an extension of such a license if necessary to complete the investigation or to obtain the results from fingerprint cards. Such licenses shall permit the licensee to engage in such activities pursuant to such terms and conditions as the Gaming Commission may specify. Temporary or provisional licenses shall expire ninety (90) days from date of issuance, upon issuance of a regular license, or until a specified expiration date, whichever occurs first.

6.12.7 License Renewal. All licenses shall be subject to renewal at least every two (2) years, and more frequently if so required by the Gaming Commission or other applicable law. Such licenses may be revoked or suspended upon the occurrence of any act which, if known during the application process, would have tended to disqualify such person or entity for such a license.

6.12.8 License Investigations. The Gaming Commission may employ all reasonable means, including engaging outside services and investigators and holding hearings, to acquire the information necessary to determine whether or not a license should be issued. Applicants shall agree to release all information necessary in order for the Gaming Commission to achieve its goals under this section and to furnish such information to the NIGC, a state gaming regulatory agency, or other agencies as may be required by tribal, federal, or state law or the Compact.

6.12.9 License Fees. Unless specifically waived by the Gaming Commission, all persons applying for a license shall be required to pay all applicable license fees and costs when due, including a reasonable deposit for costs that may be incurred in connection with the license application. Estimates of licensing costs will be provided to applicants upon reasonable request. All fees and costs must be received by the Gaming Commission prior to issuance of the license, unless the Tribe or the Gaming Operation has agreed to reimburse the Gaming Commission directly for all or part of such fees and costs.

6.12.10 Standards. All persons engaged by or associated with any Gaming Activity on Tribal Lands shall conduct themselves with honesty, integrity, and with such decorum and manners as necessary to reflect positively on the Tribe, its members and the Gaming Activities. Any failure to abide by such standards, or any violation of a rule, regulation, law, custom or tradition of the Tribe, the Gaming Commission, or the Gaming Operation, or with the terms or

conditions of the license, may be grounds for immediate suspension or revocation of any license issued hereunder.

6.12.11 Appeals. Within fifteen (15) days of receipt of written notice of, or thirty (30) days following issuance of a decision or order of the Gaming Commission, whichever first occurs, any party who is the subject of such decision or order may file a petition for reconsideration with the Gaming Commission. Upon receipt of a timely filed petition for reconsideration, the Gaming Commission shall within thirty (30) days thereafter either set the matter for hearing or issue an order thereon. No Commissioner shall provide any personal endorsement, recommendation or other support for an applicant in connection with such reconsideration or appeal. Any member of the Tribe whose application for a new or renewed license is denied by the Gaming Commission, or whose license is suspended or revoked by the Gaming Commission, may within thirty (30) days of receiving written notice of such action, or within ten (10) days of receiving written notice of the result of any reconsideration sought by such member, appeal to the General Council, which shall have the power to order that such license be issued or reinstated, provided that no such license shall be issued or reinstated for more than a one (1) year period. No license shall be issued unless consistent with NIGC, state and tribal suitability requirements.
