Re: Approval of White Earth Reservation gaming ordinance

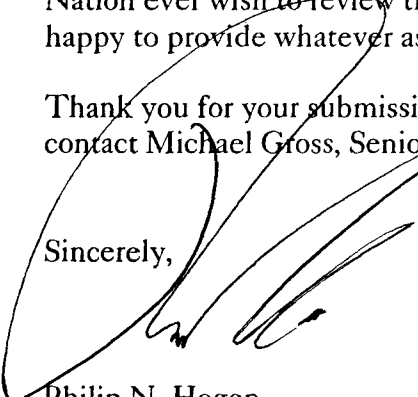

Dear Mr. Plumer:

This is in response to your September 28, 2006, letter seeking review and approval of the new White Earth Reservation gaming ordinance, enacted pursuant to White Earth Reservation Tribal Council Resolution No. 001-06-022. The ordinance is consistent with the requirements of the Indian Gaming Regulatory Act (IGRA) and this agency's regulations, and it is therefore approved.

I noted in my review that the White Earth gaming commission may have a role in the management of the casino. It has been by experience that such an arrangement is not always in the best interest in of the operation. Nevertheless, should the White Earth Nation ever wish to review the responsibilities of its gaming commission, NIGC will be happy to provide whatever assistance you might desire.

Thank you for your submission. If you have any questions or require assistance, please contact Michael Gross, Senior Attorney, at 202-632-7003.

Sincerely,

Philip N. Hogen  
Chairman
