Project Description: *(please use a separate page if necessary)*

Construction and operation of a permanent Joint Operations Center as a replacement facility for current operations on El Camino Avenue, including special needs, essential services, and requisite office space for U.S. Bureau of Reclamation, California Department of Water Resources, and National Oceanic and Atmospheric Administration's National Weather Service. The new facility is proposed to accommodate up to 600 Federal and State employees and would consist of 200,000 square feet of building space.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
