

Hello, I am Mr. Hall, the course manager for the Special Access Program Security Compliance Inspection Seminar.

If you are:

- a Government Program Security Officer
- a Contractor Program Security Officer
- a Government SAP Security Officer
- a new or experienced Inspection Team Member that uses the process outlined in the JAFAN 6/0, Special Access Program Security Manual, then the SAP Security Compliance Inspection Seminar is for you!

This course offers a classroom learning environment to ensure inspections are performed in accordance with the JAFAN.

If you attend the SAP Security Compliance Inspection Seminar, you will leave with the skills and tools necessary to ensure inspections are standardized and consistent.

Additional information regarding the SAP Security Compliance Inspection Seminar, is available from the CDSE course catalog.

I look forward to seeing you in class.
