— CONVENIENT —
— INFORMATIVE —
— COST EFFECTIVE —

What is a Web & telephone seminar?

This 90-minute Web and telephone seminar allows an unlimited number of people to listen to OCC experts and to discuss with them their experiences and policy imperatives over individual telephones or with colleagues on speaker-phones. The experts' interaction with you, the listener, will make the program a valuable learning experience. And you can ask questions from wherever you are, online or on the telephone.

There is no rush-hour traffic, no parking, no travel time or expenses. You can remain in the office and share information with a large group of colleagues for one price per site. A moderator guides the presentation and the open forum. Accessing the automated slide show is as easy as clicking on a Web link.

Welcome by
John D. Hawke, Jr.,
Comptroller of the Currency

Participants will learn the following:

- How to find new lending opportunities that can increase interest income, enhance credit quality, and receive positive CRA consideration.

 - USDA's Business and Industry program, which guarantees rural business loans up to 90 percent.
 - Ex-Im Bank programs, which guarantee loans made by banks to businesses that sell to international buyers.
