Ph: 800-338-7657

Funded under Contract No. HHSN-276-2011-0000-7 with The Texas Medical Center Library and awarded by the DHHS, NIH, National Library of Medicine.

Who We Are

The National Network of Libraries of Medicine, funded by the **National Library of Medicine** serves the nation through more than 6,000 member organizations.

Eight Regional Medical Libraries provide services to Network members to increase awareness, access and use of online information resources by health professionals and the public.

The **South Central Region** includes **Arkansas, Louisiana, New Mexico, Oklahoma and Texas**. The Texas Medical Center Library has served as the Regional Medical Library since 1991.

Why Join?

We offer **access to other health information providers** through our listservs, blog, Facebook and Twitter accounts.

Order promotional items for free – Get bookmarks, pens, highlighters, and more for your clientele.

Apply for funding – Funding has been awarded for outreach projects, library improvements and technology updating.

Request free training – Class subjects include database searching such as PubMed, technology topics, and consumer health resources.
