Have any of the entities you are representing received any Federal grants or contracts (including any subgrants and subcontracts) since October 1, 2008, related to the subject on which you have been invited to testify?</p> <p><input checked="" type="checkbox"/> YES <input type="checkbox"/> No <input type="checkbox"/> N/A</p>
<p>6. If you answered "yes" to either item 4 or 5, please list the amount and source (by agency and program) of each Federal grant or contract (including any subgrants and subcontracts), and indicate whether the recipient of such grant was you or the organization(s) you are representing. You may list additional grants or contracts on additional sheets. Boston Scientific Corporation (BSC) sells medical technology to countries around the world, including the United States government. To the best of my knowledge, BSC has not received any Federal grants or contracts directly related to the impact of health reform on Indiana workers and families. Although unrelated to the subject of my testimony, I am aware that BSC has three national contracts (VA797-P-0137, VA97-P-0136, VA97-P-0114) and several local agreements with the Veterans Administration (VA) and its facilities. BSC also has local agreements with the Department of Defense (DOD) health facilities. BSC annual sales to VA are approximately \$87.5M and to DOD are approximately \$18M.</p>
