CHANGE RECORD – 16th EDITION

Note.— This change record does **not** reflect previously proclaimed staged reductions in column 1-general or column 1-special rates of duty, notably those accorded pursuant to the North American Free Trade Agreement (NAFTA), the World Trade Organization/Uruguay Round of Multilateral Trade Negotiations, the World Trade Organization Ministerial Declaration on Trade in Information Technology Products/Agreement on Distilled Spirits (ITA), the United States-Caribbean Basin Trade Partnership Act (CBTPA), or the United States-Jordan Free Trade Agreement. The change record does, however, reflect modifications of tariff provisions resulting from the instruments and actions listed in the Preface. The Preface also provides information about supplements and electronic revisions, as well as on the content of the related change records. For more information on the types of changes, see the Preface section of the report.
