

**Template  
For  
ANG Additional Duty Historians**

This template is designed to help Additional Duty historians assigned to each ANG Wing write periodic histories. This template includes guidance on research methodology and a layout sample of how the history will be written.

Histories will be submitted to the ANG History Office semi-annually on a calendar year basis. The due date is the end of the month following the end of the sixth month period (31 July and 31 January).

The history will be submitted to NGB/HO as an electronic history posted to a CD/DVD, or as a hard copy. Please do not mail a hard copy and an electronic version together. The history must be completely an electronic version or in hard copy. No exceptions.

**Things to remember:**

**Tanker units** – Source documents should include operational data that reflects the amount of fuel off-loaded and the number of receivers. Also include the number of passengers (Pax) airlifted. This data can be found in Monthly Flight History Reports or Tanker Activity Reports. Both documents may be found in the Flight Management/Records Office in Operations.

**Airlift units-** The same as above, but document the amount of cargo and Pax airlifted.

**Special Operations-** Include rescue mission events and other deployments in an unclassified format.
