MEMORANDUM

TO: Carol Rasco
FROM: Betsey Wright
RE: Jim Rosapapa
DATE: November 2, 1993

Jim is a long-time friend of mine who is now in the Maryland legislature. He makes his living as a consultant. One of his clients is H & R Block.

His client is establishing a national foundation and is considering options for a funding project(s). They are particularly interested in exploring whether the Administration has any private/public sector cooperative interests they could participate in, or any specific charitable directions they should consider. I believe we are talking about several hundred thousand dollars.

Jim asked me who in the Administration he should be talking to. I, of course, naturally, as always, quite logically, told him to talk to you.

Therefore, this memo is an introduction to Jim so that you will know who he is when he calls within a few days.
