

# Acquisition Directorate

Mission execution begins *here*.

## VISION

**The Coast Guard will be a model of acquisition excellence in government.**

## MISSION

**Acquire and deliver more-capable, interoperable assets and systems, and high-quality, timely services that support Coast Guard forces in executing missions effectively and efficiently.**

## GOALS

- 1. Execute Coast Guard acquisitions and provide related services within cost, schedule and performance parameters.**
- 2. Develop and maintain a professional workforce, agile policies and processes, and effective knowledge management to adapt to changing acquisition conditions.**

**UNITED STATES COAST GUARD**
