(1) Known value is defined as the portion of U.S. total general imports that could be matched to specific companies.

(2) Percent of company type value is computed relative to the sector's total value, e.g., the top 4 wholesalers account for 8.0 percent of the total value for all wholesalers.

(3) Includes manufacturing companies of prepackaged software and books, brokers, business services, engineering and management services, gas and oil extraction companies, coal mining companies, communication services, etc.
