Deputy Field Office Director [REDACTED] b7  
Krome Service Processing Center  
18201 SW 12th Street  
Miami, Florida 33194

Dear Director [REDACTED] b7

Your request for a second 180-day extension for your reaccreditation audit for the Krome Service Processing Center has been received. In light of your continued need to address structural issues and the circumstances surrounding the damage caused by Hurricane Wilma, your request is approved. In the event that the facility is not able to successfully complete an audit and have a panel hearing by January 2009, Krome SPC will be removed from the accreditation process. After a period of six months Krome SPC could re-apply for accreditation, and upon acceptance back into the accreditation program, would undergo an initial audit at such time as agreed upon between the ACA and the Krome SPC.

On behalf of the Commission on Accreditation for Corrections, I would like to express our appreciation for your support and commitment to the accreditation process.

If there is anything at all that we can do for you in the meantime please don't hesitate to contact us at your earliest convenience. We look forward to supporting you, your staff, and your facility throughout the entire accreditation process.

Sincerely,

[REDACTED] b6
