immigration statistics related to the
deportation of Salvadoran nationals.

If the 2011 information has been recorded,
You would like to know the total number of
deportees to El Salvador and the number of
those deportees who had a criminal conviction.

According to the yearbook for 2010, 19,809
people were deported, of which 8,315 had at
least one criminal conviction. You would also
like to request the specific number of migrants
deported to El Salvador in
2010 (and 2011 if available) for dangerous
drugs, immigration (violations), assault,
burglary, larceny, robbery, sexual assault,
family offenses, fraudulent activities, weapon
offenses, and any other relevant categories.

If obtainable through this request, You would
like the categories for the reasons all others
without criminal convictions were deported e.g.
asylum claim denied, illegal entry, etc.

Would like the total number of minors (and the
number of an accompanied vs. accompanied
minors if available) returned to El Salvador
from the U.S. and again the reasons for
deportation, if available.

Would like a copy of the Memorandum of
Understanding (el contrato de entendimiento)
