

Join Us as a Sponsor in Celebrating the 25th Anniversary of the Prestigious Baldrige Performance Excellence Program!

We invite you or your organization to become a 25th anniversary Baldrige sponsor. Since 1987, the Baldrige Program has been defining the standard of excellence throughout the U.S. economy and is emulated worldwide. Its successes for the past 25 years deserve to be honored. Today, Baldrige is still building an even better future for the thousands of organizations that adopt the Criteria for Performance Excellence to improve their own competitiveness and sustainability.

You can become a partner in the success of the Baldrige Program as a sponsor. In addition to your support of the program, your sponsorship offers your organization excellent exposure and benefits. Information about sponsorship opportunities will soon be available, allowing you to select one that is most suitable to you.

Please contact the Baldrige staff at (301) 975-2555 or (301) 975-6323 to obtain information on how to receive a Sponsorship Package to share with your organization or another organization that may be interested in becoming a sponsor. You may also visit the Baldrige Web site in the coming weeks to learn more about these opportunities.

Your support helps to make it all possible. Thank you.
