GIPSA Settles a Case with Appanoose County Livestock, Inc. Resulting in a \$4,000 Penalty

WASHINGTON, May 17, 2012 – The U.S. Department of Agriculture’s Grain Inspection, Packers and Stockyards Administration’s (GIPSA) enforcement rules provide a mechanism to quickly resolve violations of the Packers and Stockyards (P&S) Act. GIPSA may offer an alleged violator the option of waiving their right to a hearing and entering into a stipulation agreement to quickly resolve alleged violations.

Appanoose County Livestock, Inc., Centerville, Iowa -- waived their right to a hearing, entered into a stipulation agreement, and agreed to pay a penalty of \$4,000 after GIPSA found that they created false or misleading records in connection with their activities subject to the P&S Act, practiced price manipulation, and misrepresented the source of livestock.

The P&S Act is a fair trade practice and payment protection law that promotes fair and competitive marketing environments for the livestock, meat, and poultry industries.
