

Greetings!

In BPA's April 13, 2009, letter from Tina Ko to ASC Review Process parties, BPA noted that April 22, 2009, was the deadline to request Oral Argument for the FY09 and FY10-11 ASC dockets. The letter further stated that "[i]f BPA receives only requests to respond to others' Oral Arguments in any docket, BPA will not conduct Oral Argument."

In response to its letter, BPA received three requests for Oral Argument. However, all three requests were to respond only to others' Oral Arguments, if any.

Consequently, BPA will not be holding Oral Argument for these dockets, which was originally scheduled for May 5, 2009.

If you have any questions, please contact Tina Ko at 503.230.3555.

Thank you,
Bonneville Power Administration
