Title 29. Public Safety and State Police

Chapter 529. Division of State Police

29-27. "Pistol" and "revolver" defined. The term "pistol" and the term "revolver", as used in sections 29-28 to 29-38, inclusive, mean any firearm having a barrel less than twelve inches in length.

29-28. Permit for sale at retail of pistol or revolver. Permit to carry pistol or revolver. Confidentiality of name and address of permit holder. Permits for out-of-state residents.

(a) No person who sells ten or more pistols or revolvers in a calendar year or is a federally-licensed firearm dealer shall advertise, sell, deliver, or offer or expose for sale or delivery, or have in such person's possession with intent to sell or deliver, any pistol or revolver at retail without having a permit therefor issued as provided in this subsection. The chief of police or, where there is no chief of police, the warden of the borough or the first selectman of the town, as the case may be, may, upon the application of any person, issue a permit in such form as may be prescribed by the Commissioner of Public Safety for the sale at retail of pistols and revolvers within the jurisdiction of the authority issuing such permit. No permit for the sale at retail of any pistol or revolver shall be issued unless the applicant holds a valid eligibility certificate for a pistol or revolver issued pursuant to section 29-36f or a valid state permit to carry a pistol or revolver issued pursuant to subsection (b) of this section and the applicant submits documentation sufficient to establish that local zoning requirements have been met for the location where the sale is to take place except that any person selling or exchanging a pistol or revolver for the enhancement of a personal collection or for a hobby or who sells all or part of such person's personal collection of pistols or revolvers shall not be required to submit such documentation for the location where the sale or exchange is to take place.

(b) Upon the application of any person having a bona fide residence or place of business within the jurisdiction of any such authority, such chief of police, warden or selectman may issue a temporary state permit to such person to carry a pistol or revolver within the state, provided such authority shall find that such applicant intends to make no use of any pistol or revolver which such applicant may be permitted to carry under such permit other than a lawful use and that such person is a suitable person to receive such permit. No state or temporary state permit to carry a pistol or revolver shall be issued under this subsection if the applicant (1) has failed to successfully complete a course approved by the Commissioner of Public Safety in the safety and use of pistols and revolvers including, but not limited to, a safety or training course in the use of pistols and revolvers available to the public offered by a law enforcement agency, a private

or public educational institution or a firearms training school, utilizing instructors certified by the National Rifle Association or the Department of Environmental Protection and a safety or training course in the use of pistols or revolvers conducted by an instructor certified by the state or the National Rifle Association, (2) has been convicted of a felony or of a violation of subsection (c) of section 21a-279, section 53a-58, 53a-61, 53a-61a, 53a-62, 53a-63, 53a-96, 53a-175, 53a-176, 53a-178 or 53a-181d, (3) has been convicted as delinquent for the commission of a serious juvenile offense, as defined in section 46b-120, (4) has been discharged from custody within the preceding twenty years after having been found not guilty of a crime by reason of mental disease or defect pursuant to section 53a-13, (5) has been confined in a hospital for persons with psychiatric disabilities, as defined in section 17a-495, within the preceding twelve months by order of a probate court, (6) is subject to a restraining or protective order issued by a court in a case involving the use, attempted use or threatened use of physical force against another person, (7) is subject to a firearms seizure order issued pursuant to subsection (d) of section 29-38c after notice and hearing, (8) is prohibited from shipping, transporting, possessing or receiving a firearm pursuant to 18 USC 922(g)(4), (9) is an alien illegally or unlawfully in the United States, or (10) is less than twenty-one years of age. Nothing in this section shall require any person who holds a valid permit to carry a pistol or revolver on October 1, 1994, to participate in any additional training in the safety and use of pistols and revolvers. Upon issuance of a temporary state permit to the applicant, the local authority shall forward the original application to the commissioner. Not later than sixty days after receiving a temporary state permit, an applicant shall appear at a location designated by the commissioner to receive the state permit. Said commissioner may then issue, to any holder of any temporary state permit, a state permit to carry a pistol or revolver within the state. Upon issuance of the state permit, the commissioner shall make available to the permit holder a copy of the law regarding the permit holder's responsibility to report the loss or theft of a firearm and the penalties associated with the failure to comply with such law. Upon issuance of the state permit, the commissioner shall forward a record of such permit to the local authority issuing the temporary state permit. The commissioner shall retain records of all applications, whether approved or denied. The copy of the state permit delivered to the permittee shall be laminated and shall contain a full-face photograph of such permittee. A person holding a state permit issued pursuant to this subsection shall notify the issuing authority within two business days of any change of such person's address. The notification shall include

the old address and the new address of such person.

(c) No issuing authority may require any sworn member of the Department of Public Safety or an organized local police department to furnish such sworn member's residence address in a permit application. The issuing authority shall allow each such sworn member who has a permit to carry a pistol or revolver issued by such authority, to revise such member's application to include a business or post office address in lieu of the residence address. The issuing authority shall notify each such member of the right to revise such application.

(d) Notwithstanding the provisions of sections 1-210 and 1-211, the name and address of a person issued a permit to sell at retail pistols and revolvers pursuant to subsection (a) of this section or a state or a temporary state permit to carry a pistol or revolver pursuant to subsection (b) of this section, or a local permit to carry pistols and revolvers issued by local authorities prior to October 1, 2001, shall be confidential and shall not be disclosed, except (1) such information may be disclosed to law enforcement officials acting in the performance of their duties, (2) the issuing authority may disclose such information to the extent necessary to comply with a request made pursuant to section 29-33 for verification that such state or temporary state permit is still valid and has not been suspended or revoked, and the local authority may disclose such information to the extent necessary to comply with a request made pursuant to section 29-33 for verification that a local permit is still valid and has not been suspended or revoked, and (3) such information may be disclosed to the Commissioner of Mental Health and Addiction Services to carry out the provisions of subsection (c) of section 17a-500.

(e) The issuance of any permit to carry a pistol or revolver does not thereby authorize the possession or carrying of a pistol or revolver in any premises where the possession or carrying of a pistol or revolver is otherwise prohibited by law or is prohibited by the person who owns or exercises control over such premises.

(f) Any bona fide resident of the United States having no bona fide residence or place of business within the jurisdiction of any local authority in the state, but who has a permit or license to carry a pistol or revolver issued by the authority of another state or subdivision of the United States, may apply directly to the Commissioner of Public Safety for a permit to carry a pistol or revolver in this state. All provisions of subsections (b), (c), (d) and (e) of this section shall apply to applications for a permit received by the commissioner under this subsection.

Sec. 3(a) A person is guilty of firearms trafficking if such person, knowingly and intentionally, directly or indirectly, causes one or more firearms that such person owns, is in

possession of or is in control of to come into the possession of or control of another person whom such person knows or has reason to believe is prohibited from owning or possessing any firearm under state or federal law.

(b) Any person who violates any provision of this section shall be guilty of a class C felony if such person, on or after the effective date of this section, sells, delivers or otherwise transfers five or fewer firearms, and a class B felony if such person, on or after the effective date of this section, sells, delivers or otherwise transfers more than five firearms.

(c) For the purposes of this section, "firearm" means "firearm" as defined in section 53a-3 of the general statutes, but does not include a rifle or shotgun or an antique firearm as defined in subsection (b) of section 29-37a of the general statutes.

29-28a. Application for permit. Notice of decision to applicant.

(a) Requests for temporary state permits under section 29-28 shall be submitted to the chief of police, or, where there is no chief of police, to the warden of the borough or the first selectman of the town, as the case may be, on application forms prescribed by the Commissioner of Public Safety. Upon written request by any person for a temporary state permit not on a prescribed application form, or upon request by any person for such application form, the local authority shall supply such forms. When any such request is made in person at the office of the local authority, the local authority shall supply such application form immediately. When any such request is made in any other manner, the local authority shall supply such application form not later than one week after receiving such request. If such application form is not supplied within the time limits required by this section, the request therefor shall constitute a sufficient application. If any local authority fails to supply an application form upon the request of any person, such person may request an application form from the Commissioner of Public Safety or any barracks of the division of state police, and the time limits and procedures set forth in this section for handling requests for such forms shall be applicable.

(b) The local authority shall, not later than eight weeks after a sufficient application for a temporary state permit has been made, inform the applicant that such applicant's request for a temporary state permit has been approved or denied. The local authority shall forward a copy of the application indicating approval or denial of the temporary state permit to the Commissioner of Public Safety. If the local authority has denied the application for a temporary state permit, no state permit may be issued. The commissioner shall, not later than eight weeks after receiving an application indicating approval from the local authority, inform the applicant in writing that the applicant's application for a state permit has been approved or denied, or that the results of the national criminal history records check have not been received. If grounds for denial become known after a temporary state permit has been obtained, the temporary state permit shall be immediately revoked pursuant to section 29-32.

29-29. Information concerning criminal records of applicants for permits.

(a) No temporary state permit for carrying any pistol or revolver shall be issued under the provisions of section 29-28 unless the applicant for such permit gives to the local authority, upon its request, full information concerning the applicant's criminal record. The local authority

shall require the applicant to submit to state and national criminal history records checks. The local authority shall take a full description of such applicant and make an investigation concerning the applicant's suitability to carry any such weapons.

(b) The local authority shall take the fingerprints of such applicant or conduct any other method of positive identification required by the State Police Bureau of Identification or the Federal Bureau of Investigation, unless the local authority determines that the fingerprints of such applicant have been previously taken and the applicant's identity established, and such applicant presents identification that the local authority verifies as valid. The local authority shall record the date the fingerprints were taken in the applicant's file and, within five business days of such date, shall forward such fingerprints or other positive identifying information to the State Police Bureau of Identification which shall conduct criminal history records checks in accordance with section 29-17a.

(c) The local authority may, in its discretion, issue a temporary state permit before a national criminal history records check relative to such applicant's record has been received. Upon receipt of the results of such national criminal history records check, the commissioner shall send a copy of the results of such national criminal history records check to the local authority, which shall inform the applicant and render a decision on the application within one week of the receipt of such results. If such results have not been received within eight weeks after a sufficient application for a permit has been made, the local authority shall inform the applicant of such delay, in writing. No temporary state permit shall be issued if the local authority has reason to believe the applicant has ever been convicted of a felony, or that any other condition exists for which the issuance of a permit for possession of a pistol or revolver is prohibited under state or federal law.

(d) The commissioner may investigate any applicant for a state permit and shall investigate each applicant for renewal of a state permit to ensure that such applicant is eligible under state law for such permit or for renewal of such permit.

(e) No state permit may be issued unless either the local authority or the commissioner has received the results of the national criminal history records check.

29-30. Fees for pistol and revolver permits. Expiration and renewal of permits.

(a) The fee for each permit originally issued under the provisions of subsection (a) of section 29-28 for the sale at retail of pistols and revolvers shall be one hundred dollars and for each renewal thereof one hundred dollars. The fee for each state permit originally issued under the provisions of subsection (b) of section 29-28 for the carrying of pistols and revolvers shall be seventy dollars plus sufficient funds as required to be transmitted to the Federal Bureau of Investigation to cover the cost of a national criminal history records check. The local authority shall forward sufficient funds for the national criminal history records check to the commissioner no later than five business days after receipt by the local authority of the application for the temporary state permit. Thirty-five dollars shall be retained by the local authority. Upon approval by the local authority of the application for a temporary state permit, thirty-five dollars shall

be sent to the commissioner. The fee to renew each state permit originally issued under the provisions of subsection (b) of section 29-28, as amended by this act, shall be thirty-five dollars. Upon deposit of such fees in the General Fund, ten dollars of each fee shall be credited within thirty days to the appropriation for the Department of Public Safety to a separate non-lapsing account for the purposes of the issuance of permits under subsections (a) and (b) of section 29-28.

(b) A local permit originally issued before October 1, 2001, whether for the sale at retail of pistols and revolvers or for the carrying of pistols and revolvers, shall expire five years after the date it becomes effective and each renewal thereof shall expire five years after the expiration date of the permit being renewed. On and after October 1, 2001, no local permit for the carrying of pistols and revolvers shall be renewed.

(c) A state permit originally issued under the provisions of section 29-28 for the carrying of pistols and revolvers shall expire five years after the date such permit becomes effective and each renewal thereof shall expire five years after the expiration date of the state permit being renewed and such renewal shall not be contingent on the renewal or issuance of a local permit. A temporary state permit issued for the carrying of pistols and revolvers shall expire sixty days after the date it becomes effective, and may not be renewed.

(d) The renewal fee required pursuant to subsection (a) of this section shall apply for each renewal which is requested not earlier than thirty-one days before, and not later than thirty-one days after, the expiration date of the state permit being renewed.

(e) No fee or portion thereof paid under the provisions of this section for issuance or renewal of a state permit shall be refundable except if such permit for which the fee or portion thereof was paid was not issued or renewed. The portion of the fee expended on the national criminal history records check for any such permit that was not issued or renewed shall not be refunded.

(f) The issuing authority shall send a notice of the expiration of a state permit to carry a pistol or revolver, issued pursuant to section 29-28, to the holder of such permit, by first class mail, not less than ninety days before such expiration, and shall enclose with such notice a form for the renewal of said state permit. A state permit to carry a pistol or revolver, issued pursuant to section 29-28, shall be valid for a period of ninety days after the expiration date, except this provision shall not apply to any permit to carry a pistol or revolver which has been revoked or for which revocation is pending, pursuant to section 29-32.

29-31. Display of permit to sell. Record of sales. No sale of any pistol or revolver shall be made except in the room, store or place described in the permit for the sale of pistols and revolvers, and such permit or a copy thereof certified by the authority issuing the same shall be exposed to view within the room, store or place where pistols or revolvers are sold or offered or exposed for sale, and no sale or delivery of any pistol or revolver shall be made unless the purchaser or person to whom the same is to be delivered is personally known to the vendor of such pistol or revolver or the person making delivery thereof or unless the person making such purchase or to whom delivery thereof is to be made provides evidence of his identity. The vendor of

any pistol or revolver shall keep a record of each pistol or revolver sold in a book kept for that purpose, which record shall be in such form as is prescribed by the Commissioner of Public Safety and shall include the date of the sale, the caliber, make, model and manufacturer's number of such pistol or revolver and the name, address and occupation of the purchaser thereof, and shall be signed by the purchaser and by the person making the sale, each in the presence of the other, and shall be preserved by the vendor of such pistol or revolver for at least six years.

29-32. Revocation of permit. Notification. Confiscation. Penalty for failure to surrender permit.

(a) For the purposes of this section, "conviction" means the entry of a judgment of conviction by any court of competent jurisdiction.

(b) Any state permit or temporary state permit for the carrying of any pistol or revolver may be revoked by the Commissioner of Public Safety for cause and shall be revoked by said commissioner upon conviction of the holder of such permit of a felony or of any misdemeanor specified in subsection (b) of section 29-28 or upon the occurrence of any event which would have disqualified the holder from being issued the state permit or temporary state permit pursuant to subsection (b) of section 29-28. Upon the revocation of any state permit or temporary state permit, the person whose state permit or temporary state permit is revoked shall be notified in writing and such state permit or temporary state permit shall be forthwith delivered to the commissioner. Any law enforcement authority shall confiscate and immediately forward to the commissioner any state permit or temporary state permit that is illegally possessed by any person. The commissioner may revoke the state permit or temporary state permit based upon the commissioner's own investigation or upon the request of any law enforcement agency. Any person who fails to surrender any permit within five days of notification in writing of revocation thereof shall be guilty of a class C misdemeanor.

(c) Any local permit for the carrying of a pistol or revolver issued prior to October 1, 2001, may be revoked by the authority issuing the same for cause, and shall be revoked by the authority issuing the same upon conviction of the holder of such permit of a felony or of any misdemeanor specified in subsection (b) of section 29-28 or upon the occurrence of any event which would have disqualified the holder from being issued such local permit. Upon the revocation of any local permit, the person whose local permit is revoked shall be notified in writing and such permit shall be forthwith delivered to the authority issuing the same. Upon the revocation of any local permit, the authority issuing the same shall forthwith notify the commissioner. Upon the revocation of any permit issued by the commissioner, the commissioner shall forthwith notify any local authority which the records of the commissioner show as having issued a currently valid local permit to the holder of the permit revoked by the commissioner. Any person who fails to surrender such permit within five days of notification in writing or revocation thereof shall be guilty of a class C misdemeanor.

29-32b. Board of Firearms Permit Examiners. Appeals to board. Hearings.

(a) There shall be established a Board of Firearms Permit Examiners, within the Department of Public Safety for administrative

purposes only, hereinafter referred to as the board, to be comprised of seven members appointed by the Governor to serve during his term and until their successors are appointed and qualify. With the exception of public members, the members shall be appointed from nominees of the Commissioner of Public Safety, the Connecticut State Association of Chiefs of Police, the Commissioner of Environmental Protection, The Connecticut State Rifle and Revolver Association, Inc., and Ye Connecticut Gun Guild, Inc., and each of said organizations shall be entitled to representation on the board. At least one member of the board shall be a lawyer licensed to practice in this state, who shall act as chairman of the board during the hearing of appeals brought under this section.

(b) Any person aggrieved by any refusal to issue or renew a permit or certificate under the provisions of section 29-28 or 29-36f, or by any limitation or revocation of a permit or certificate issued under any of said sections, or by a refusal or failure of any issuing authority to furnish an application as provided in section 29-28a, may, within ninety days after receipt of notice of such refusal, limitation or revocation, or refusal or failure to supply an application as provided in section 29-28a, and without prejudice to any other course of action open to such person in law or in equity, appeal to the board. On such appeal the board shall inquire into and determine the facts, de novo, and unless it finds that such a refusal, limitation or revocation, or such refusal or failure to supply an application, as the case may be, would be for just and proper cause, it shall order such permit or certificate to be issued, renewed or restored, or the limitation removed or modified, as the case may be. If the refusal was for failure to document compliance with local zoning requirements, under subsection (a) of section 29-28, the board shall not issue a permit.

(c) Any person aggrieved by the action of an issuing authority may file with the board a clear and concise statement of the facts on which he relies for relief, and shall state the relief sought by the appellant. The receipt by the board of the appellant's statement shall initiate the appeals process, and no appeal may be rejected for mere lack of formality. The board shall, within ten days next following receipt of the appeal, set a time and place at which the appeal shall be heard. The board, while such appeal is pending, may request such additional information from the appellant and from the issuing authority as it deems reasonably necessary to conduct a fair and impartial hearing, and shall require of the issuing authority from whose decision or action the appeal is being sought a statement in writing setting forth the reasons for such failure, refusal, revocation or limitation. Failure or refusal of the issuing authority to furnish such written statement, or to supply the appellant with an application, at least ten days prior to the hearing shall be cause for the board to grant the relief sought, forthwith and without further hearing.

(d) The board shall hold hearings at such times and places as it in its discretion reasonably determines to be required, but not less than once every ninety days, and shall give reasonable notice of the time and place of the hearing to the appellant and to the issuing authority. The board shall have the power to compel attendance at its sessions.

(e) All appeals hearings shall be conducted in an informal manner, but otherwise according to the rules of evidence, and all witnesses shall be

sworn by the chairman. The board shall cause a verbatim transcript of the hearing to be kept in such manner as it may determine, and shall furnish such transcript to any party appealing its decision as hereinafter set forth. The statements of witnesses made under oath shall be privileged. Decisions of the board shall be by majority vote and shall be communicated in writing to the appellant and to the issuing authority within twenty days after the rendering of the decision. If any issuing authority neglects or refuses to comply with a decision of the board within ten days after notice of the board's decision has been given to such issuing authority, the board shall apply to the Superior Court for a writ of mandamus to enforce the board's decision.

(f) Any person aggrieved by the decision of the board may appeal therefrom in accordance with the provisions of section 4-183.

(g) The board shall serve without compensation, but its members shall be entitled to reasonable subsistence and travel allowances in the performance of their duties.

29-33. Sale, delivery or transfer of pistols and revolvers. Procedure. Penalty.

(a) No person, firm or corporation shall sell, deliver or otherwise transfer any pistol or revolver to any person who is prohibited from possessing a pistol or revolver as provided in section 53a-217c.

(b) On and after October 1, 1995, no person may purchase or receive any pistol or revolver unless such person holds a valid permit to carry a pistol or revolver issued pursuant to subsection (b) of section 29-28, a valid permit to sell at retail a pistol or revolver issued pursuant to subsection (a) of section 29-28 or a valid eligibility certificate for a pistol or revolver issued pursuant to section 29-36f or is a federal marshal, parole officer or peace officer.

(c) No person, firm or corporation shall sell, deliver or otherwise transfer any pistol or revolver except upon written application on a form prescribed and furnished by the Commissioner of Public Safety. Such person, firm or corporation shall insure that all questions on the application are answered properly prior to releasing the pistol or revolver and shall retain the application, which shall be attached to the federal sale or transfer document, for at least twenty years or until such vendor goes out of business. Such application shall be available for inspection during normal business hours by law enforcement officials. No sale, delivery or other transfer of any pistol or revolver shall be made unless the person making the purchase or to whom the same is delivered or transferred is personally known to the person selling such pistol or revolver or making delivery or transfer thereof or provides evidence of his identity in the form of a motor vehicle operator's license, identity card issued pursuant to section 1-1h or valid passport. No sale, delivery or other transfer of any pistol or revolver shall be made until the person, firm or corporation making such transfer obtains an authorization number from the Commissioner of Public Safety. Said commissioner shall perform the national instant criminal background check and make a reasonable effort to determine whether there is any reason that would prohibit such applicant from possessing a pistol or revolver as provided in section 53a-217c. If the commissioner determines the existence of such a reason, the commissioner shall deny the sale and no pistol or revolver shall be sold, delivered or

otherwise transferred by such person, firm or corporation to such applicant.

(d) No person, firm or corporation shall sell, deliver or otherwise transfer any pistol or revolver, other than at wholesale, unless such pistol or revolver is equipped with a reusable trigger lock, gun lock or gun locking device appropriate for such pistol or revolver, which lock or device shall be constructed of material sufficiently strong to prevent it from being easily disabled and have a locking mechanism accessible by key or by electronic or other mechanical accessory specific to such lock or device to prevent unauthorized removal. No pistol or revolver shall be loaded or contain therein any gunpowder or other explosive or any bullet, ball or shell when such pistol or revolver is sold, delivered or otherwise transferred.

(e) Upon the sale, delivery or other transfer of any pistol or revolver, the person making the purchase or to whom the same is delivered or transferred shall sign a receipt for such pistol or revolver which shall contain the name and address of such person, the date of sale, the caliber, make, model and manufacturer's number and a general description of such pistol or revolver, the identification number of such person's permit to carry pistols or revolvers, issued pursuant to subsection (b) of section 29-28, permit to sell at retail pistols or revolvers, issued pursuant to subsection (a) of said section, or eligibility certificate for a pistol or revolver, issued pursuant to section 29-36f, if any, and the authorization number designated for the transfer by the Department of Public Safety. The person, firm or corporation selling such pistol or revolver or making delivery or transfer thereof shall give one copy of the receipt to the person making the purchase of such pistol or revolver or to whom the same is delivered or transferred, shall retain one copy of the receipt for at least five years, and shall send, by first class mail, or electronically transmit, within forty-eight hours of such sale, delivery or other transfer, one copy of the receipt to the Commissioner of Public Safety and one copy of the receipt to the chief of police or, where there is no chief of police, the warden of the borough or the first selectman of the town, as the case may be, of the town in which the transferee resides.

(f) The provisions of this section shall not apply to antique pistols or revolvers. An antique pistol or revolver, for the purposes of this section, means any pistol or revolver which was manufactured in or before 1898 and any replica of such pistol or revolver provided such replica is not designed or redesigned for using rimfire or conventional centerfire fixed ammunition except rimfire or conventional centerfire fixed ammunition which is no longer manufactured in the United States and not readily available in the ordinary channel of commercial trade.

(g) The provisions of this section shall not apply to the sale, delivery or transfer of pistols or revolvers between (1) a federally-licensed firearm manufacturer and a federally-licensed firearm dealer, (2) a federally-licensed firearm importer and a federally-licensed firearm dealer, or (3) federally-licensed firearm dealers.

(h) If the court finds that a violation of this section is not of a serious nature and that the person charged with such violation (1) will probably not offend in the future, (2) has not previously been convicted of a violation of this section, and (3) has not previously had a prosecution under this section suspended pursuant to this subsection, it may order suspension of prosecution.

The court shall not order suspension of prosecution unless the accused person has acknowledged that he understands the consequences of the suspension of prosecution. Any person for whom prosecution is suspended shall agree to the tolling of any statute of limitations with respect to such violation and to a waiver of his right to a speedy trial. Such person shall appear in court and shall be released to the custody of the Court Support Services Division for such period, not exceeding two years, and under such conditions as the court shall order. If the person refuses to accept, or, having accepted, violates such conditions, the court shall terminate the suspension of prosecution and the case shall be brought to trial. If such person satisfactorily completes his period of probation, he may apply for dismissal of the charges against him and the court, on finding such satisfactory completion, shall dismiss such charges. If the person does not apply for dismissal of the charges against him after satisfactorily completing his period of probation, the court, upon receipt of a report submitted by the Court Support Services Division that the person satisfactorily completed his period of probation, may on its own motion make a finding of such satisfactory completion and dismiss such charges. Upon dismissal, all records of such charges shall be erased pursuant to section 54-142a. An order of the court denying a motion to dismiss the charges against a person who has completed his period of probation or terminating the participation of a defendant in such program shall be a final judgment for purposes of appeal.

(i) Any person who violates any provision of this section shall be guilty of a class D felony, except that any person who sells, delivers or otherwise transfers a pistol or revolver in violation of the provisions of this section, knowing that such pistol or revolver is stolen or that the manufacturer's number or other mark of identification on such pistol or revolver has been altered, removed or obliterated, shall be guilty of a class B felony, and any pistol or revolver found in the possession of any person in violation of any provision of this section shall be forfeited.

29-34. False statement or information in connection with sale or transfer of pistol or revolver prohibited. Sale or transfer to person under twenty-one years of age prohibited. Temporary transfers. Penalties.

(a) No person shall make any false statement or give any false information connected with any purchase, sale, delivery or other transfer of any pistol or revolver. Any person violating any provision of this subsection shall be guilty of a class D felony.

(b) No person shall sell, barter, hire, lend, give, deliver or otherwise transfer to any person under the age of twenty-one years any pistol or revolver, except that a pistol or revolver may be temporarily transferred to any person only for the use by such person in target shooting or on a firing or shooting range, provided such use is otherwise permitted by law and is under the immediate supervision of a person eligible to possess a pistol or revolver. Any person violating any provision of this subsection shall be guilty of a class D felony for which one year of the sentence imposed may not be suspended or reduced by the court.

(c) Any pistol or revolver found in the possession of any person in violation of any provision of this section shall be forfeited.

29-35. Carrying of pistol or revolver without permit prohibited. Exceptions.

(a) No person shall carry any pistol or revolver upon his or her person, except when such person is within the dwelling house or place of business of such person, without a permit to carry the same issued as provided in section 29-28. The provisions of this subsection shall not apply to the carrying of any pistol or revolver by any parole officer or peace officer of this state, or parole officer or peace officer of any other state while engaged in the pursuit of official duties, or federal marshal or federal law enforcement agent, or to any member of the armed forces of the United States, as defined in section 27-103, or of this state, as defined in section 27-2, when on duty or going to or from duty, or to any member of any military organization when on parade or when going to or from any place of assembly, or to the transportation of pistols or revolvers as merchandise, or to any person transporting any pistol or revolver while contained in the package in which it was originally wrapped at the time of sale and while transporting the same from the place of sale to the purchaser's residence or place of business, or to any person removing such person's household goods or effects from one place to another, or to any person while transporting any such pistol or revolver from such person's place of residence or business to a place or individual where or by whom such pistol or revolver is to be repaired or while returning to such person's place of residence or business after the same has been repaired, or to any person transporting a pistol or revolver in or through the state for the purpose of taking part in competitions, taking part in formal pistol or revolver training, repairing such pistol or revolver or attending any meeting or exhibition of an organized collectors' group if such person is a bona fide resident of the United States and is permitted to possess and carry a pistol or revolver in the state or subdivision of the United States in which such person resides, or to any person transporting a pistol or revolver to and from a testing range at the request of the issuing authority, or to any person transporting an antique pistol or revolver, as defined in section 29-33. At such hearing the state shall have the burden of proving all material facts by clear and convincing evidence. If, after such hearing, the court finds by clear and convincing evidence that the person poses a risk of imminent personal injury to himself or herself or to other individuals, it may order that the firearm or firearms seized pursuant to the warrant issued under subsection (a) of this section continue to be held by the state for a period not to exceed one year, otherwise the court shall order the seized firearm or firearms to be returned to the person named in the warrant. Such report of sale shall be open for

inspection by any duly authorized law enforcement official or by the chief of police or the city clerk at all reasonable times. In addition, the information contained in this section shall be provided by the seller to the chief of police no later than the last business day of each calendar month representing all sales, lease, loans, gifts, or other transfers of any pistol or revolver by the seller.

21-61. Statement of intent. The city's experience is that many firearms used in violent crimes are weapons which have been stolen. Existing state law provides for a statewide firearms tracking task force within the division of state police. Requiring owners of firearms to promptly report to the police the loss or theft of firearms will enable the Hartford Police Department to timely investigate and hopefully solve the incidents of initial theft and may well result in taking firearms off the street before they can be used to perpetrate a violent crime. In addition, this legislation provides the city with a vehicle to recover costs expended in connection with police services from owners who fail to report stolen firearms. The section is within the city's police powers authority and its power to protect the public interest.

21-62. Owner to report loss or theft of firearm. In the city, any person who is the lawful owner of a firearm and any permitted firearm's owner shall report the loss or theft thereof from premises in the city or from their person to the Hartford Police Department within seventy-two (72) hours of becoming aware of said theft or loss.

Sec. 21-63. Failure to report loss or theft of firearm. In the event that a lost or stolen firearm is determined to have been used to aid or abet the commission of a felony in the city and it shall become known to the Hartford Police that the owner of said firearm failed to report its loss or theft within seventy-two (72) hours of becoming aware of such loss or theft to the organized local police department in the municipality, or the Connecticut State Police, then the Corporation Counsel for the City of Hartford, on a showing of good cause, and consistent with state law, may sue the said owner to recover the costs to the city of police services and other expenses associated with the investigation and prosecution of said felony.

Division 3. Permit to Carry Pistol or Revolver

21-71. Required. It shall be unlawful for any person to have in his possession in the city any pistol or revolver, except when such person is within his dwelling house or place of business, unless a permit to carry a pistol or revolver has been issued in accordance with the provisions of this division.

21-72. Application.

(a) Documents required generally. Every person applying for a permit to carry a pistol or revolver in the city shall provide the following documents to the Hartford police department, records division, between 8:00 a.m. and 6:00 p.m., Monday through Friday, or 8:00 a.m. to 12:00 noon on Saturday:

21-73. Issuance, fee. Upon satisfactorily completing all aspects of the application requirements for a permit to carry a pistol or revolver, the applicant will be scheduled to meet with the commander of the records unit of the police department. At that time, a fee of fifteen dollars (\$15.00) in cash, check or money order made payable to the city shall be paid and a

permit issued. If, at any point in the process an application is denied, the payment to the Federal Bureau of Investigation shall be nonrefundable, however, no other charges for processing the application shall be made.

21-74. Exceptions to division. The provisions of this division shall not apply to the carrying of any pistol or revolver by any sheriff, parole officer or peace officer of any other state while engaged in the pursuit of his official duties, or federal marshal or federal law enforcement agent, or to any member of the armed forces of the United States, or of this state, when on duty or going to or from duty, or to any member of any military organization when on parade or when going to or from any place of assembly, or to the transportation of pistols or revolvers as merchandise, or to any person carrying any pistol or revolver while contained in the package in which it was originally wrapped at the time of sale and while carrying the same from the place of sale to the purchaser's residence or place of business, or to any person removing his household goods or effects from one (1) place to another, or to any person while carrying any such pistol or revolver from his place of residence or business to a place or person where or by whom such pistol or revolver is to be repaired or while returning to his place or residence or business after the same has been repaired, or to any person carrying a pistol or revolver in or through the state for the purpose of taking part in competitions or attending any meeting or exhibition of an organized collectors' group if such person is a bona fide resident of the United States having a permit or license to carry a firearm issued by the authority of any other state or subdivision of the United States, or to any person carrying a pistol or revolver to and from a testing range at the request of the issuing authority, or to any person carrying an antique pistol or revolver.
