INTERGOVERNMENTAL SERVICE AGREEMENT

PURPOSE

The purpose of this Intergovernmental Service Agreement is to establish a formal binding relationship between the United States, Immigration and Naturalization Service (hereafter referred to as the "Service") and the Garvin County Jail (hereafter referred to as the "Provider") for the detention and care of aliens.

SUPPORT AND MEDICAL SERVICES

The Provider agrees to accept and provide for the secure custody, care and safekeeping of detainees in accordance with the State and local laws, standards, policies, procedures, or court orders applicable to the operations of the facility.

The Provider agrees to provide detainees with the same level of medical care and services provided local prisoners including the transportation and security for prisoners requiring removal from the facility for emergency medical services. The Provider shall also notify the designated contact person at the local Service office, when medical care is provided to a detainee at a medical care facility outside of the Provider's facility, in accordance with procedures to be established and mutually agreed upon.

The Provider further agrees to include all costs associated with hospital or health care services provided outside the facility, with the regular monthly billing to the Service for detention services. In this case, the Provider arranges for the caring facility to invoice the Provider for services provided at rates no greater than those applicable for other individuals in the custody of the Provider. A copy of the caring facility's invoice(s) for hospital/health care services shall be submitted with the detention billing to support the Service's payment of those costs to the Provider. The Service shall include payment for the hospital/health care services provided along with the monthly payment for detention services.

MINIMUM STANDARDS

The provider agrees to meet the following minimum standards:

1. 24 hour supervision
2. Full compliance with applicable fire and/or life safety codes, and has appropriate smoke/fire detection equipment installed in the facility.

3. A minimum of two meals in a 24 hour period for each detainee. No fewer than 1,500 calories total per 24 hours and, if detention exceeds four (4) days no fewer than 2,000 calories per day thereafter. There will also be no more than 14 hours between meals.
4. Appropriate 24 hour emergency medical care, and emergency evacuation procedures.
5. When detained overnight, each detainee will be provided a mattress, and, when appropriate, a blanket.

FACILITY LOCATION

The Provider shall provide detention services for aliens at the following institution(s):

Garvin County Jail
Post Office Box 148
Pauls Valley, Oklahoma 73075

INSPECTION

The Provider agrees to allow periodic inspections of the facility by INS jail inspectors. Findings will be shared with the facility administrator in order to promote improvements to facility operations or conditions of confinement.

FINANCIAL PROVISIONS

The per diem rate under this agreement is \$ 30.00 per manday. The rate covers one person per day. The Government may not be billed for two days when an alien is admitted one evening and removed the following morning. The Provider may bill for the day of arrival but not for the day of departure. *

Should conditions of an unusual nature occur making it impractical or undesirable to continue to house aliens, the Provider may suspend or restrict the use of the facility by the Service by giving written notice of such intent to the Service. Such notice will be provided 30 days in advance of the effective date of a formal termination and at least two weeks in advance of the effective date of a formal termination and at least two weeks in advance of suspension or restriction of use unless an emergency situation requires the immediate relocation of aliens.

The Provider may initiate a request for a rate increase or decrease by notifying the local office of the Service in writing at least 60 days prior to the desired effective date of the adjustment.
