Note: Counts are rounded to the nearest 1,000; therefore, annual numbers may not sum to cumulative totals in other tables.

^aFrom March 1, 1994, to November 29, 1998, background checks on applicants were conducted by state and local agencies, mainly on handgun transfers. See *Presale Handgun Checks, the Brady Interim Period, 1994-98, (NCJ 175034)* <<http://www.ojp.usdoj.gov/bjs/abstract/phc98.htm>>.

^bThe National Instant Criminal Background Check System (NICS) began operations. Checks on handgun and long gun transfers are conducted by the Federal Bureau of Investigation (FBI), and by state and local agencies. Totals combine Firearm Inquiry Statistics (FIST) estimates for state and local agencies with transactions and denials reported by the FBI.

^cNovember 30 to December 31, 1998. Counts are from the NICS operations report for the period and may include multiple transactions for the same application. See also *Methodology*.
