Plaintiff Community Futures Trading Commission (Commission) has filed a Complaint for Permanent Injunction, Civil Monetary Penalties, and Other Equitable Relief and moved for a preliminary injunction. The Court has considered the pleadings, exhibits, and memorandum filed in support of the Commission's motion for preliminary injunction, and any opposition papers filed thereto. Defendant William Snyder (Snyder), without admitting or denying the allegations of the Complaint, has consented to the entry of this preliminary injunction. As it appears to the Court that there is good cause to believe that Snyder has engaged, is engaging in, or is about to sugged in violations of the Commodity Exchange Act, as amended (Act), 7 U.S.C. §§ 1 et. seg. (2002), and the Commission Regulations promulgated thereunder (Regulations), 17 C.F.R. § 1.1 et seq. (2006), and that this is a proper case for granting a preliminary injunction to preserve the status quo, protect public customers from further loss and damage, and enable the Commission to fulfill its statutory duties, the Court finds as follows:
