At end of the May 11th meeting we identified June 8th for the next meeting. This email confirms the time and location as 9:30AM, Patio Conference Room, US Army Corps of Engineers office. Enclosed are my notes from the May meeting. The annotations "Due Out" are where I understood one of us indicated a follow-up action would take place. I will send out an agenda as we approach June 8th. Feel free to contact me with corrections or suggestions!
