Title: Part 39 Derivatives Clearing Organizations (OMB Control No. 3038-0051). This is a request for extension of a currently approved information collection.

Abstract: The information collected pursuant to this rule is used to evaluate compliance with criteria pursuant to which entities apply for and obtain registration as a derivatives clearing organization.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control numbers for the CFTC's regulations were published on December 30, 1981. See 46 FR 63035 (Dec. 30, 1981). The **Federal Register** notice with a 60-day comment period soliciting comments on this collection of information was published on September 9, 2008 (73 FR 52330).

Burden Statement: The respondent burden for this collection is estimated to average 200 hours per response. These estimates include the time needed to review instructions; develop, acquire, install, and utilize technology and systems for the purposes of collecting, validating, and verifying information, processing and maintaining information and disclosing and providing information; adjust the existing ways to comply with any previously applicable instructions and requirements; train personnel to be able to respond to a collection of information; and transmit or otherwise disclose the information.

Respondents/Affected Entities: 10.
Estimated Number of Responses: 10.

Estimated Total Annual Burden on Respondents: 2,000.

Frequency of Collection: On Occasion.

Send comments regarding the burden estimated or any other aspect of the information collection, including suggestions for reducing the burden, to the addresses listed below. Please refer to OMB Control No. 3038-0051 in any correspondence.
