DEPARTMENT OF DEFENSE

Department of the Navy

Record of Decision for Construction and Operation of a Marine Corps Heritage Center at Marine Corps Base Quantico, VA

AGENCY: Department of the Navy, DOD.
ACTION: Notice of record of decision.

SUMMARY: The Department of the Navy, pursuant to section 102(2)(c) of the National Environmental Policy Act and the regulations (40 CFR parts 1500-1508), announces its decision to construct and operate the Marine Corps Heritage Center on the Locust Shade Park site.

ADDRESSES: A copy of the Environmental Impact Statement (EIS) addressing this decision may be obtained from Engineering Field Activity Chesapeake, Naval Facilities Engineering Command, 1314 Harwood Street, SE, Building 212, Washington Navy Yard, DC 20374-5018.

FOR FURTHER INFORMATION CONTACT: Mr. Hank Reik, telephone (202) 685-3064.

SUPPLEMENTARY INFORMATION: The Marine Corps History and Museum Division is responsible for the collection, preservation and presentation of information and material used in the study and development of military doctrine, tactics, weapons and equipment for the Marine Corps. Most of the Division's collections are located within various facilities at Marine Corps Base (MCB) Quantico (including the Marine Corps Air Ground Museum) while their administrative offices are located in the Washington Navy Yard, Washington, DC. The Division has acquired existing spaces over the years to house its collections, which has resulted in collections being stored in 11 different sites. To enhance protection of its historical collections, improve access to historical information, and foster public education and appreciation through exhibits, displays, outdoor ceremonies and demonstrations, the Marine Corps intends to promote the development of a Marine Corps Heritage Center at MCB Quantico.

The Heritage Center would consist of various buildings, outside exhibits, a parade field, demonstration areas and associated infrastructure on a 135-acre site. Less than half of the site would be developed, the rest would remain in its natural state. Buildings would be used for administrative offices, curatorial spaces, exhibits, public presentation facilities, record storage and restoration workshops. Development of the complex would be funded primarily through private donations. Construction is expected to occur in phases beginning in 2003.

The Marine Corps prepared an EIS to evaluate the anticipated effects of developing a Marine Corps Heritage Center and selecting a site for the facility. A Final EIS was distributed to the public on June 15, 2001. In response, five comment letters were received. All were supportive of the
