ORDER DENYING MOTION TO
STRIKE DESIGNATION OF WITNESSES

Respondent Intel Corporation ("Intel") moves to strike complaint counsel's designation of Lee W. Hoevel, Gordon A. Campbell, Vinod Dham, and David F. Hixson as potential witnesses. Complaint counsel designated Hoevel as a potential witness on February 4, 1999 and Campbell, Dham, and Hixson as potential witnesses on February 15, 1999.

Under the Second Revised Scheduling Order, the close of discovery is February 12, 1999, and the parties must exchange final witness lists on February 19, 1999. While late in trial preparation, these witnesses were disclosed as early as feasible, before the date for designating trial witnesses. Respondent has not been prejudiced in discovery as complaint counsel has produced all documents in their possession on these witnesses and respondent has the opportunity to depose these witnesses beyond the close of discovery deadline.

For the above stated reasons, Intel's motion to strike complaint counsel's designation of witnesses is DENIED.
