On January 19, 2012, a Category 1 public meeting was held between the U.S. Nuclear Regulatory Commission (NRC) and representatives from Omaha Public Power District (OPPD) at the Doubletree Hotel, 1616 Dodge St, Omaha, Nebraska. The purpose of the meeting was to discuss the changes to regulatory oversight of Fort Calhoun Station. The licensee was notified of the transition via letter dated December 13, 2011 (ADAMS Accession No. ML113470721). A list of attendees is enclosed (Enclosure 1).
