Dear Secretary LaHood:

Please find enclosed the State of Alabama's American Recovery and Reinvestment Act of 2009 (ARRA) Section 1511 certification for additional transportation infrastructure investments listed in Alabama's Statewide Transportation Improvement Program (STIP). THE AMERICAN RECOVERY AND REINVESTMENT ACT:**

Pursuant to Title XV, Subtitle A, Section 1511 of the American Recovery and Reinvestment Act (Pub. L. 111-5 [February 17, 2009]) ("ARRA"), I, Bob Riley, Governor of the State of Alabama, hereby certify that the attached list of infrastructure investments, dated August 26, 2009, to be funded with amounts appropriated by ARRA under the headings: "Transit Capital Assistance" and "Capital Investment Grants" to the Federal Transit Administration and "Highway Infrastructure Investment" to the Federal Highway Administration, have received the full review and vetting required by law and that I accept responsibility that such investments are appropriate uses of taxpayer dollars. I further certify that the specific information required by Section 1511 concerning each such investment (a description of the investment, the estimated total cost and the amount of ARRA funds to be used) is provided on the Alabama Statewide Transportation Improvement Program (STIP) and is available to the public at <http://www.dot.state.al.us/stimulus2009> or by going directly to the Alabama Department of Transportation's website under American Recovery and Reinvestment Act of 2009 (Stimulus Plan).
