Dear Secretary LaHood:

Please find enclosed the State of Alabama's American Recovery and Reinvestment Act of 2009 (ARRA) Section 1511 certification for additional transportation infrastructure investments listed in Alabama's Statewide Transportation Improvement Program (STIP). The public can view the ARRA funding projects at <http://www.dot.state.al.us/stimulus2009> or by going directly to the Alabama Department of Transportation's website under American Recovery and Reinvestment Act of 2009 (Stimulus Plan).

We will submit additional Section 1511 certifications as we continue to amend the STIP to include additional projects funded by ARRA transportation monies and approved by the metropolitan planning organizations and counties.

The attached and subsequent certifications will be available on the Alabama Department of Transportation's website for purposes of transparency and accountability. Should you have any questions please contact Transportation Director Joe McInnes at 334-242-6311.
