THE WHITE HOUSE

WASHINGTON

TO: Laurie Spining  
FROM: Carol H. Rasco  
SUBJ: Congressman Toricelli  
DATE: October 8, 1993

I have finally only today reached Liz herself to set up the requested appointment; I left messages with my name, that I was calling on behalf Mack, etc. for three days before hooking up with her this a.m. I must tell you that office is not happy with the White House at this time. However, I hope I convinced them of my sincere desire to meet with them....we have tentatively set the meeting for 4 p.m. next Thursday as she will have to consult with the Congressman and the Chief of Staff to see if I am an acceptable substitute for Mr. McLarty. I will keep you posted. I will add that this is now a "drop dead" deadline for me to get time with the President to resolve this issue or I don't think I will come back alive from the Congressman's office if I have to dance around the topic!

Thanks.

MEMORANDUM FOR CAROL RASCO

FROM: LAURA SPINING

DATE: OCTOBER 5, 1993

RE: CONG. TORRICELLI/ INDIAN GAMING ISSUE

Cong. Toreccelli requested a meeting with Mack McLarty for this week. Mack referred him to Roy Neel & George Stepahnopoulos on the Indian Gaming issue. This meeting was originally arranged for 2:30pm Wednesday (October 6).

At your suggestion, this meeting has been cancelled. However, the Congressman is not happy and is anxious to meet with someone about this.

It is important that we be responsive to the Congressman. Please follow up with his staff directly. I have been in touch with Liz at 225-5061 (I believe she is his scheduler not the policy staffer on this issue, I'm sure she is happy to direct you.)
