*20 people*

Dear Ms. Rascoe:

Recently we extended an invitation to you to speak before our Union. We hope you are able to accept our invitation. In the event that you are not, every year a **delegation of students from the Yale Political Union travels to Washington D.C.** to meet with the leaders of our nation. On behalf of the Political Union, it is my great privilege to invite you to address the participants of this Spring's Washington, DC Trip, a selection of students from Yale interested in government. Your service to the President will bring a fresh outlook to our national forum, and our members.

The Yale Political Union is the largest campus organization at Yale and the only group of its kind in the country. The Union is a unique forum in which its 1,400 members have the opportunity to meet with the country's most prominent political leaders. However, since New Haven is a bit out of the way for some people, we take a trip each year to Washington to see those people who are unable to visit us.

In recent Washington Trips, we have met with General Colin Powell, Justice Antonin Scalia, Bernard Shaw, and Sam Donaldson, among others. We would be honored if you could find some time to meet with us.

We will be in Washington March 6-9. We would greatly appreciate the opportunity to meet with you. If you have any questions, I can be reached at the above address by either mail, phone, or facsimile.

Sincerely yours,

*Francisco J. del Valle*

Ms. Carol Rascoe  
Assistant to the President  
The White House  
Washington, DC 20500

Dear Ms. Rascoe:

On behalf of the Yale Political Union, it is my privilege to invite you to speak at Yale University this spring. Your service to the President will be of great interest to our members.

The Yale Political Union is the largest campus organization at Yale and the only group of its kind in the country. The Union is a unique forum in which 1,400 members have the opportunity to meet the country's most prominent political leaders. Congressmen and governors, judges and journalists, professors and activists come to Yale every year to participate in our stimulating program.

Past guests of the Union include every U.S. President since Eisenhower, as well as other prominent national figures such as Eleanor Roosevelt and Jesse Jackson. In the last year, we have met with: Governor Michael Dukakis, General Colin Powell, Secretary Casper Weinberger, Judge William Sessions, Professor Camille Paglia, and many other guests. Several of our debates have been nationally televised by the C-SPAN network and all our meetings have been covered by press, both local and national. We will be honored if you choose to come.

As the political and social climate of this country evolves, voices such as yours must be heard in every corner of America, including college campuses. The Union allows our guests to present new theories and analyses to interested students. Speaking before the Union will give you the opportunity to share ideas with the leaders of tomorrow.

The Union meets weeknights Sunday through Thursday. We know that you are busy, but we hope that you will find time in your schedule to pay a visit to the Union between January 12 and April 21. I look forward to hearing from you by phone or by mail. With high hopes for your visit this spring, I remain,

Very truly yours,

Myrna Pérez  
Vice President  
Yale Political Union
