1:00PM

FDA International Capacity Building Plan Overview

Julie Moss
Deputy Director, International Affairs Staff, CFSAN, FDA

1:15PM

FDA International Capacity Building Plan – Elements 1, 2, 3

Julia Guenther
Policy Analyst, Office of Food Defense, Communication, and Emergency Response, CFSAN, FDA

Element 1: Recommendations for bilateral and multilateral arrangements and agreements, including provisions to provide for responsibility of exporting countries to ensure the safety of food.

Element 2: Provisions for secure electronic data sharing.

Element 3: Provisions for mutual recognition of inspection reports.

Stakeholder Consultation – Elements 1, 2, 3

During this time, the stakeholder panel will provide input to FDA on these elements of the plan. Additionally, audience attendees will be provided an opportunity to comment.

2:30PM

FDA International Capacity Building Plan – Elements 4, 5, 6

Elizabeth Calvey
Team Leader, Liaison and Partnership Team, CFSAN, FDA

Element 4: Training of foreign governments and food producers on United States requirements for safe food.

Element 5: Recommendations on whether and how to harmonize requirements under the Codex Alimentarius.

Element 6: Provisions for the multilateral acceptance of laboratory methods and testing and detection techniques.
